After researching the various blu-ray players that can stream from the internet I decided based on the price and the features to try the LGBD550 for my first blu-ray player. I was not disappointed and the setup was a breeze. Connected an HDMI cable, the audio cables to my old surround sound system, and a connection to my network.

**Amazon.com: LG BD530 1080p Network Blu-ray Disc Player ...**

I couldn't be more pleased with my LG BD550 purchase! I had two main reasons for purchasing a network blu-ray player. First, to be able to play blu-ray discs on my high-definition television. Second, to replace my Wii with a higher-speed Netflix streaming device. The BD550 has accomplished both for under \$100.
