Animal Farm *Diamond Pocket Books Pvt Ltd*

George Orwell was a much-respected English novelist, who wrote some of the finest pieces in literary criticism, fiction. Orwell's work is known for its simplicity and wit. He wrote with smartness on subjects such as anti-fascism, democratic socialism etc. His best works include "ANIMAL FARM". It's an allegorical novella. It got published in August 1945. The fiction based on Farm animals, the author has named them too. Such as Major (a majestic-looking pig), 3-dogs (Bluebell, Jessie, and Pincher), many hens, pigeons, ducklings, sheeps and cows. Two horses, Boxer and Clover. Amongst them, Major is their leader. He wanted to speak on "the nature of life on this earth" and "How any animal is now living". The author has nicely elaborated through these Characters about the animals' misery and slavery. Animals complain that despite their hard labour, why then do they continue in the miserable condition? They also complain about human beings that they use to steal nearly the whole of their produce. Their main enemy is - Man. So, remove Man from the scene and the root cause of hunger and overwork will be abolished for ever. The book narrates about the agony of ill-treated farm animals. Then what decision they take and how this Animal Farm born, everything has become very interesting. The ultimate satire on fascism. A must-read book. God Is Not Great

How Religion Poisons Everything

McClelland & Stewart

Christopher Hitchens, described in the London Observer as “one of the most prolific, as well as brilliant, journalists of our time” takes on his biggest subject yet—the increasingly dangerous role of religion in the world. In the tradition of Bertrand Russell’s *Why I Am Not a Christian* and Sam Harris’s recent bestseller, *The End Of Faith*, Christopher Hitchens makes the ultimate case against religion. With a close and erudite reading of the major religious texts, he documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble Telescope’s awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix.

Esther the Wonder Pig

Changing the World One Heart at a Time *Grand Central Publishing*

NEW YORK TIMES BESTSELLER AMAZON BEST BOOK OF THE YEAR Unlikely pig owners Steve and Derek got a whole lot more than they bargained for when the designer micro piglet they adopted turned out to be a full-sized 600-pound

sow! This funny, inspirational story shows how families really do come in all shapes and sizes. In the summer of 2012, Steve Jenkins was contacted by an old friend about adopting a micro piglet. Though he knew his partner Derek wouldn't be enthusiastic, he agreed to take the adorable little pig anyway, thinking he could care for her himself. Little did he know, that decision would change his and Derek's lives forever. It turned out there was nothing "micro" about Esther, and Steve and Derek had actually signed on to raise a full-sized commercial pig. Within three years, Tiny Esther grew to a whopping 600 pounds. After some real growing pains and a lot of pig-sized messes, it became clear that Esther needed much more space, so Steve and Derek made another life-changing decision: they bought a farm and opened the Happily Ever Esther Farm Sanctuary, where they could care for Esther and other animals in need. Funny, heartwarming, and utterly charming, *ESTHER THE WONDER PIG* follows Steve and Derek's adventure--from reluctant pig parents to farm-owning advocates for animals.

A Day No Pigs Would Die *Laurel Leaf*
Originally published in hardcover in 1972, *A Day No Pigs Would Die* was one of the first young adult books, along with titles like *The Outsiders* and *The Chocolate War*. In it, author Robert Newton Peck weaves a story of a Vermont boyhood that is part fiction, part memoir. The result is a moving coming-of-age story that still resonates with teens today.

How to Cast Out Demons

A Guide to the Basics *Baker Books*
Many modern Christians are now

agreeing that we should take Jesus' command to cast out demons more seriously than we have in recent years. But how do we do it? Where do we start? This practical, down-to-earth book shows us how. From Doris Wagner, one of the leading authorities on biblical deliverance in North America, this manual teaches Christians how to take and break soul ties; how to break bondages of rejection, addiction, lust, and more; and how to set free those whom the enemy has held captive.

Keep the Pigs Out *Charisma Media*

Dickerman combines practical biblical principles with powerful stories of people who have broken free of demonic oppression and who have learned to successfully wage spiritual war against Satan and his demonic forces.

God, Human, Animal, Machine

Technology, Metaphor, and the Search for Meaning *Doubleday*

A strikingly original exploration of what it might mean to be authentically human in the age of artificial intelligence, from the author of the critically-acclaimed *Interior States*. "Meghan O'Gieblyn is a brilliant and humble philosopher, and her book is an explosively thought-provoking, candidly personal ride I wished never to end ... This book is such an original synthesis of ideas and disclosures. It introduces what will soon be called the O'Gieblyn genre of essay writing." —Heidi Julavits, author of *The Folded Clock* For most of human history the world was a magical and enchanted place ruled by forces beyond our understanding. The rise of science and Descartes's division of mind from world made materialism our ruling paradigm, in the process asking whether our own consciousness—i.e., souls—might be illusions. Now the inexorable rise of technology, with artificial intelligences that surpass our comprehension and control, and the spread of digital metaphors for self-understanding, the core questions of existence—identity, knowledge, the very nature and purpose of life itself—urgently require rethinking. Meghan O'Gieblyn tackles this challenge with philosophical rigor, intellectual reach, essayistic verve, refreshing originality, and an ironic sense of contradiction. She draws deeply and sometimes humorously from her own personal experience as a formerly

religious believer still haunted by questions of faith, and she serves as the best possible guide to navigating the territory we are all entering.

Pigs at Odds

The Poisonwood Bible *Faber & Faber*

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The

Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Believers

Making a Life at the End of the World *Farrar, Straus and Giroux*

In search of answers and action, the award-winning poet and essayist Lisa Wells brings us *Believers*, introducing trailblazers and outliers from across the globe who have found radically new ways to live and reconnect to the Earth in the face of climate change. We find ourselves at the end of the world. How, then, shall we live? Like most of us, Lisa Wells has spent years overwhelmed by increasingly urgent news of climate change on an apocalyptic scale. She did not need to be convinced of the stakes, but she could not find practical answers. She embarked on a pilgrimage, seeking wisdom and paths to action from outliers and visionaries, pragmatists and iconoclasts. *Believers* tracks through the lives of these people who are dedicated to repairing the earth and seemingly undaunted by the task ahead. Wells meets an itinerant gardener and misanthrope leading a group of nomadic activists in rewilding the American

desert. She finds a group of environmentalist Christians practicing “watershed discipleship” in New Mexico and another group in Philadelphia turning the tools of violence into tools of farming—guns into ploughshares. She watches the world’s greatest tracker teach others how to read a trail, and visits botanists who are restoring land overrun by invasive species and destructive humans. She talks with survivors of catastrophic wildfires in California as they try to rebuild in ways that acknowledge the fires will come again. Through empathic, critical portraits, Wells shows that these trailblazers are not so far beyond the rest of us. They have had the same realization, have accepted that we are living through a global catastrophe, but are trying to answer the next question: How do you make a life at the end of the world? Through this miraculous commingling of acceptance and activism, this focus on seeing clearly and moving forward, Wells is able to take the devastating news facing us all, every day, and inject a possibility of real hope. *Believers* demands transformation. It will change how you think about your own actions, about how you can still make an impact, and about how we might yet reckon with our inheritance.

Pigs in the Corner

Fun with Math and Dance *Aladdin*

The dancing teacher has come down with a cold on the night of the Pig family’s big square dancing recital. Mr. Pig volunteers to fill in and save the day, but calling a square dance is harder than it looks! Can Mr. Pig direct the moves without causing a dancing disaster?

Lord of the Flies *Penguin*

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Pigs in a Pickle *Chronicle Books LLC*

Pigs in Heaven

Novel, A *Harper Collins*

Picking up where her modern classic *The Bean Trees* left off, Barbara Kingsolver's bestselling *Pigs in Heaven* continues the tale of Turtle and Taylor Greer, a Native American girl and her adoptive mother who have settled in Tucson, Arizona, as they both try to overcome their difficult pasts. Taking place three years after *The Bean Trees*, Taylor is now dating a musician named Jax and has officially adopted Turtle. But when a lawyer for the Cherokee Nation begins to investigate the adoption—their new life together begins to crumble. Depicting the clash between fierce family love and tribal law, poverty and means, abandonment and belonging, *Pigs in Heaven* is a morally wrenching, gently humorous work of fiction that speaks equally to the head and the heart. This edition includes a P.S. section with additional insights from Barbara Kingsolver, background material, suggestions for further reading, and more.

Olivia *Simon and Schuster*

The heart-warming tale of a sweet little pig with a whole heap of energy.

A Year in Provence *Vintage*

NATIONAL BESTSELLER • In this witty and warm-hearted account, Peter Mayle tells what it is like to realize a long-cherished dream and actually move into a 200-year-old stone farmhouse in the remote country of the Lubéron with his wife and two large dogs. He endures

January's frosty mistral as it comes howling down the Rhône Valley, discovers the secrets of goat racing through the middle of town, and delights in the glorious regional cuisine. *A Year in Provence* transports us into all the earthy pleasures of Provençal life and lets us live vicariously at a tempo governed by seasons, not by days.

Pigs in the Mud in the Middle of the Road *Down East Books*

It's mud season, but there's more than mud in the middle of the road: There are pigs, hens, sheep, and bulls in the way. That won't do. For a car to get through, somebody's gotta shoo! But who? Plourde's trademark style blends alliteration and rhyme into an elegantly simple mix that children-and adults-enjoy reading aloud.
