Human rights are the basic rights and freedoms that belong to every person in the world. The European Convention on Human Rights protects the human rights of people in countries that belong to the Council of Europe. This includes the UK. If you think your human rights under the European Convention have been breached, you may be able to take a case to court in the UK.

Human rights - Citizens Advice

Although transformative private law is a significant rebellion against purism, the epistemic roots of human rights are perhaps as Western as dominant private law. Transformative private law thus has a neo-colonial flair. For that reason, a fusion of human rights with dominant private law will not necessarily result in a decolonial system of private law.

About Human Rights in Private Law
Traditionally, the theory of human rights limited its application to the public domain, namely the relationships between individuals and public authorities. The great expansion of

human rights legislation and concepts in modern national and international law has given rise to a major issue relating to their potential impact on private relationships.
