Book: Animal Magnetism for Musicians - Q-tuner

Animal magnetism, also known as mesmerism, was the name given by German doctor Franz Mesmer in the 18th century to what he believed to be an invisible natural force possessed by all living things, including humans, animals, and vegetables. He believed that the force could have physical effects, including healing, and he tried persistently but without success to achieve scientific recognition of his ideas. The vitalist theory attracted numerous followers in Europe and the United States and was po
