Major Sources of Nigerian Law/Constitution - Nigerian ...

In most countries, constitutional law is derived from a written document, like the U.S. Constitution, adopted as an integral part of the country's founding. While each of the country's political subdivisions, such as states and provinces, may have its own constitution, the term "constitutional law" generally refers to the laws of the central government.

Constitutional Law:

Definition and Function

Modern constitutional law is the offspring of nationalism as well as of the idea that the state must protect certain fundamental rights of the individual. As the number of states has multiplied, so have constitution s and with them the body of constitutional law, though sometimes such law originates from sources outside the state.

Constitutional law | Britannica

The common law and the civil law jurisdictions do not share the same constitutional law underpinnings. Common law nations, such as those in the Commonwealth as well as the United States, derive their legal

systems from that of the United Kingdom, and as such place emphasis on judicial precedent, [6] [7] [8] [9] whereby consequential court rulings (especially those by higher courts) are a source of law .

Constitutional law - Wikipedia

The first source of law is constitutional law. Two constitutions are applicable in every state: the federal or US Constitution, which is in force throughout the United States of America, and the state's constitution. The US Constitution created our legal system, as is discussed in Chapter 2 "The Legal System in the United States".

1.6 Sources of Law - Criminal Law

-Case law - practical application of constitutional principles by our courts, our courts have full testing power making case law an authoritative source.- International law - The Constitution provides that the courts must consider international law when determining constitutional issues.

CLS2601 -

Constitutional Law

Legislative Enactment - Statute Legislation is the second key source of law and usually takes priority over sources of law other than the Constitution. There may be more than one legislative body in a country - central, provincial or state and municipal authorities may each have separate power to legislate.

Sources of Law | Public private partnership

The first source of law is constitutional law. Two constitutions are applicable in every state: the federal or US Constitution, which is in force throughout the United States of America, and the state's constitution. The US Constitution created our legal system, as is discussed in Chapter 2 "The Legal System in the United

States".

Sources of Law - GitHub Pages

The answer is "in many places." Criminal law originates from many sources. Some criminal law is the result of constitutional conventions, so you would need to review federal and state constitutions. Other criminal laws result from the legislative or initiative process, so you will need to review state statutes or congressional acts.
