Into the Dark Lands is

It begins the story of
Erin of Elliath, Warrior
of the Light, and
Stefanos, First Servant

of the Dark. Erin is born into a time of constant conflict, the Servants of the Bright Heart and the Servants of the Dark Heart have been locked in a war for millenia.

**Into the Dark Lands

It was my first thought, my only thought. With my brethren of the Sundered, I prepared for battle. Battle we did, for the Dark would consume all without our resistance. The voice of the Light was strong and sure. Stars grew, stars died, and in the cadence of His words, we found strength and glory; battle all but consumed us. Yet neither Dark nor Light was victorious. The Sundered fell around me until my Lord could

bear their loss no longer.

And where They
 touched, They frayed
 into small, moving
 strands of Light and
 Darkness. Thus were
 the Sundered born, the
 Servants of the two,
 like their parents to

 and diminished by the

 creation. Still, the
 Sundered of the Light
 cleaved to Light; the
 Sundered of the Dark,
 to Darkness.
