Design for Configuration: A Debate Based on the 5th WDK ...

According to the argument from design, or teleological argument, the design or order found in the universe provides evidence for the existence of an intelligent designer (or orderer) usually identified as God. A classic version of this argument appears in William Paley's 1802 Natural Theology, where Paley compares the complexity of living things to the inferior complexity of a watch that we know to be designed by an intelligent being.

Argument from Design - Atheism
