**The Gothic Enterprise A Guide** The Gothic enterprise grew up out of the feudal system as it was trying to define itself in a sea of shifting political structures. It is no mistake that the Gothic ideal was born in an Abbey rather than a Cathedral; bishops had become

increasingly involved in secular and political matters, while the monasteries remained closer to the common people and closer to the spiritual ideals of the church.

While most books about Gothic cathedrals focus on a particular building or on the cathedrals of a specific region, The Gothic

Enterprise considers the idea of the cathedral as a humanly created space. Scott discusses why an impoverished people would commit so many social and personal resources to building something so physically stupendous and what this says about their ideas of the sacred, especially the vital role they ascribed to the divine as a protector against the dangers of everyday life.
