Comedy and Distinction shifts the focus to provide the first ever empirical examination of British comedy taste. Drawing on a large-scale survey and in-depth interviews carried out at the Edinburgh Festival Fringe, the book explores what types of comedy people like (and dislike), what their preferences reveal about their sense of humour, how comedy taste lubricates everyday interaction, and how issues of social class, gender, ethnicity and geographical location interact with patterns of ...

Comedy is one of those ignored items. Despite the richness of works on the sociology of humour, it is very rarely studied as a cultural object. In Comedy and distinction, Sam Friedman applies a cultural consumption framework to the field of British comedy, grounded in the empirical study of comedy audience at a festival. The book has two principal merits.

Instead, in the case of comedy, this thesis finds that taste acts as a powerful marker of cultural and class identity. Eschewing the kind of openness described in other cultural areas, comedy audiences make a wide range of negative aesthetic, moral and political judgements on the basis of comedy taste, inferring that one’s sense of humour reveals deep-seated aspects of their personhood.

Comedy plays an increasingly central role in British cultural life. Following the recent resurgence of TV stand-up and the continuing growth of the live circuit, comedy has emerged as a ‘booming’ multi-million pound industry and an important staging point for understanding British cultural tastes and identities (Logan 2010; Medhurst 2007).
