CIP (continuous improvement process) is an active method by which teams continuously improve processes, especially in the area of production. Idea management refers to a general procedure by which the ideas of employees from the entire company are collected, evaluated and rewarded.

Continuous Improvement Process: The Complete Guide

We need more amateurs to succeed with continuous improvement. Experts are held in esteem. To be an amateur on the other hand, is not as attractive. Often the word amateur is used as a condescending term for an unprofessional person whose actions are questioned.

Succeed with CI

Continuous Professional Development (CPD) Continuing professional development, or CPD, is the ongoing process of developing, maintaining and documenting your professional skills. These skills may be gained formally, through courses or training, or informally, on the job or by watching others. Some professions use the term ' continuing professional development' formally, and require a certain amount of development activity to be carried out and documented each year as a condition of ...
