Lesson 3: Risks and Consequences of Substance Use

Play the role of someone who has been affected by your substance use (ex. a mother, a daughter, a friend, etc.) Others in the group will ask questions and you should answer in

character. Discuss the importance of empathy and “walking a mile in someone else’s shoes.”
10.

60 Substance Abuse Group Therapy Activities

These scenarios range from early stage to much more severe.

The early stage scenarios will often benefit from an early intervention approach, which will help stop a major mental health issue from arising.

Some are more complex, deep-rooted issues that require more intensive help.

Recognizing the Problem: Scenarios

Role-playing activities give group members the chance to act out potential real-life scenarios. The activity gives them practice in

what to do when such situations arise. One such role-playing exercise has one group member play the person in recovery and

another play a friend who is trying to persuade the other person to gamble, drink or use drugs.
