The Secret *ibooks*

The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With

them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen

ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

The Very Hungry Zombie *Skyhorse*

For anyone who loves all things zombie, *The Walking Dead*, or expects the zombie apocalypse, comes a

parody of the children's classic *The Very Hungry Caterpillar*. A very hungry zombie eats his way through a variety of his favorite foods, including clowns, astronauts, rock stars, fingers, and brains. With vivid, playful art and amusing text, *The Very Hungry Zombie* will appeal to picture-book lovers of all ages. Adults will catch its slightly demented humor. Older kids who grew up on classic board books will love the fun of the parody. And because the art leans toward humor rather than truly graphic grossness, a new generation of little ones may just grow up loving a creepy zombie whose gluttony earns him a bellyache. Beware! This equal opportunity ghoulish

gourmand would just love to have you for dinner!

Collecting: An Unruly Passion *Princeton University Press*

From rare books, valuable sculpture and paintings, the relics of saints, and porcelain and other precious items, through stamps, textiles, military ribbons, and shells, to baseball cards, teddy bears, and mugs, an amazing variety of objects have engaged and even obsessed collectors through the ages. With this captivating book the

psychoanalyst Werner Muensterberger provides the first extensive psychological examination of the emotional sources of the never-ending longing for yet another collectible. Muensterberger's roster of driven acquisition-hunters includes the dedicated, the serious, and the infatuated, whose chronic restlessness can be curbed--and then merely temporarily--only by purchasing, discovering, receiving, or even stealing a new "find." In an easy, conversational style, the author discusses the eccentricities of heads of state, literary figures, artists, and psychoanalytic patients, all possessed by a need for magic

relief from despair and helplessness--and for the self-healing implied in the phrase "I can't live without it!" The sketches here are diverse indeed: Walter Benjamin, Mario Praz, Catherine the Great, Poggio Bracciolini, Brunelleschi, and Jean de Berry, among others. The central part of the work explores in detail the personal circumstances and life history of three individuals: a contemporary collector, Martin G; the celebrated British book and manuscript collector Sir Thomas Phillipps, who wanted one copy of every book in the world; and the great French novelist Honoré de Balzac, a compulsive collector of bric-a-brac who expressed his empathy for the acquisitive

passions of his collector protagonist in *Cousin Pons*. In addition, Muensterberger takes the reader on a charming tour of collecting in the Renaissance and looks at collecting during the Golden Age of Holland, in the seventeenth century. Throughout, we enjoy the author's elegant variations on a complicated theme, stated, much too simply, by John Steinbeck: "I guess the truth is that I simply like junk." Originally published in 1993, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions

preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Don "The Snake" Prudhomme: My Life Beyond the 1320

CarTech Inc

Don "The Snake" Prudhomme reveals for the first time ever his incredible life and career on and off of the drag strip.

Imagine spending a year with Don "The Snake" Prudhomme, having coffee together and talking about his life, his racing, his

friends, and his family. He'd tell you about how he rose from being a high school drop-out who was painting cars to a respected Top Fuel dragster driver and successful businessman. You'd hear how he toured the country with Tommy Ivo and "The Hawaiian" Roland Leong, racing all the legends from "Big Daddy" Don Garlits to "The Golden Greek" [Chris] Karamesines. He'd say how he met Tom McEwen and recall how they became the Snake and the Mongoose, leading to a career in Funny Cars that netted him four championships in a row. He'd talk about the thrill of first wins and owning his own teams but also the struggles of bad seasons, crashes and fires, broken parts, and broken contracts. Along the way, he'd speak about the people in his life, such as engine-builder Keith Black and NHRA president Wally Parks, and those who were killed in the wild and unpredictable sport of nitro racing. It wouldn't be only racing, though. Prudhomme would share lessons he learned about business and life from such varied sources as a neighbor in Granada Hills to Ford GT40 driver Dan Gurney. He also would talk about the importance of family: how his wife, Lynn, and daughter, Donna, changed his world and how finding out about his African-American roots opened his eyes to a culture and inheritance he'd

always wanted. This is the experience you'll get in Don "The Snake" Prudhomme: My Life Beyond the 1320.

You Just Made the List

This funny notebook would be a perfect gift for any of your friends, family or co-workers!
