□□□□□□

This user-friendly book is aimed at helping students of Mandarin Chinese learn and remember Chinese characters. At last—there is a truly effective and enjoyable way to learn Chinese

Traditional Characters Ingram

This workbook provides graduated individual practice for the four skills of listening, speaking, reading, and writing.

characters! This book helps students to learn and remember both the meanings and the pronunciations of over 800 characters. This otherwise daunting task is made easier by the use of techniques based on the psychology of learning and memory. Key principles include the use of visual imagery, the visualization of short "stories," and the systematic building up of more complicated characters from basic building blocks. Although *Learning Chinese Characters* is primarily a book for serious learners of Mandarin Chinese, it can be used by anyone with an interest in Chinese characters, without any prior knowledge of Chinese. It can be used alongside (or after, or even before) a course in the Chinese language. All characters are simplified (as in mainland China) but

traditional characters are also given, when available. Key features: Specially designed pictures and stories are used in a structured way to make the learning process more enjoyable and effective, reducing the need for rote learning to the absolute minimum. The emphasis throughout is on learning and remembering the meanings and pronunciations of the characters. Tips are also included on learning techniques and how to avoid common problems. Characters are introduced in a logical sequence, which also gives priority to learning the most common characters first. Modern simplified characters are used, with pronunciations given in pinyin. Key information is given for each character, including radical, stroke-count, traditional form,

compounds, and guidance on writing the character. This is a practical guide with a clear, concise and appealing layout, and it is well-indexed with easy look-up methods. The 800 Chinese characters and 1,033 compounds specified for the original HSK Level A proficiency test are covered.

English as a Global Language

Cambridge University Press

David Crystal's classic *English as a Global Language* considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to

investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

The Last Rose of Shanghai *Lake Union Publishing*

In Japanese-occupied Shanghai, two people from different cultures are drawn together by fate and the freedom of music... 1940. Aiyi Shao is a young heiress and the owner of a formerly popular and glamorous Shanghai nightclub. Ernest Reismann is a penniless Jewish refugee driven out of

Germany, an outsider searching for shelter in a city wary of strangers. He loses nearly all hope until he crosses paths with Aiyi. When she hires Ernest to play piano at her club, her defiance of custom causes a sensation. His instant fame makes Aiyi's club once again the hottest spot in Shanghai. Soon they realize they share more than a passion for jazz--but their differences seem insurmountable, and Aiyi is engaged to another man. As the war escalates, Aiyi and Ernest find themselves torn apart, and their choices between love and survival grow more desperate. In the face of overwhelming odds, a chain of events is set in motion that will change both their lives forever. From the electrifying jazz clubs to the impoverished streets of a city under

siege, *The Last Rose of Shanghai* is a timeless, sweeping story of love and redemption.

The Routledge Course in Modern Mandarin Chinese

Workbook Level 1, Simplified Characters *Routledge*

The Routledge Course in Modern Mandarin Chinese is a two-year undergraduate course for students with no prior background in Chinese study which takes students from complete beginner to post-intermediate level. Designed to build a strong foundation in both the spoken and written language it develops all the basic skills such as pronunciation, character writing, word use and structures, while placing strong

emphasis on the development of communicative skills. Each level of the course consists of a textbook and workbook, available separately in simplified or traditional character editions. Both workbooks include a free CD with all the dialogues from the textbooks and the necessary audio for the listening for information exercises. A companion website will provide expanded listening files and a broad range of resources for students and teachers. The benefits of this course include: -focus on the long-term retention of vocabulary, characters and structures by reiterating structures and vocabulary throughout the book series - carefully selected and staged introduction of characters with staged removal of pinyin to ensure recognition

and use of characters -clear and jargon-free explanations of use and structures, that are easy for students and teachers to understand -extensive workbook exercises for homework, independent study, and classroom use focusing on all language skills and modalities including a vast inventory of carefully structured exercises focusing on listening comprehension, reading for information, and writing for communication - an extensive inventory of classroom activities that guide students to develop communication-based speaking and listening skills. -a list of communication goals and key structures for each lesson allowing the student to assess progress - cultural notes explaining the context of the dialogues - language FAQs explaining aspects of Chinese language

as they relate to the content and vocabulary in the lesson -storyline following a group of students studying in China from Europe, North America and East Asia, making the book attractive to a variety of students and facilitating the introduction of Chinese culture. -full-color text design for the textbook and carefully matched designs for the traditional and simplified books, allowing for easy cross-reference The course is also fully supported by an interactive companion website. The website contains a wealth of additional resources for both teachers and students. Teachers will find lesson plans in both English and Mandarin, providing a weekly schedule and overall syllabus for fall and spring, as well as activities for each lesson and answer keys. Students will be able to

access downloadable character practice worksheets along with interactive pronunciation, vocabulary and character practice exercises. All the audio material necessary for the course is also available online and conveniently linked on screen to the relevant exercises for ease-of-use. Bound Feet & Western Dress

A Memoir *Anchor*

"In China, a woman is nothing." Thus begins the saga of a woman born at the turn of the century to a well-to-do, highly respected Chinese family, a woman who continually defied the expectations of her family and the traditions of her culture. Growing up in the perilous years between the fall of the last emperor and the Communist Revolution, Chang Yu-i's life is marked by a series of rebellions: her refusal as a child to let her mother bind her feet, her scandalous divorce, and her rise to Vice President of China's first women's bank in her later years. In the alternating voices of two generations, this dual memoir brings together a deeply textured portrait of a

woman's life in China with the very American story of Yu-i's brilliant and assimilated grandniece, struggling with her own search for identity and belonging. Written in pitch-perfect prose and alive with detail, *Bound Feet and Western Dress* is the story of independent women struggling to emerge from centuries of customs and duty.

Learning to read and write Chinese requires lots of practice. This unique practice guide can be used with any Chinese textbook or on its own to enhance your proficiency in reading and writing Mandarin Chinese. Intermediate Written Chinese Practice Essentials offers a wealth of carefully-designed exercises and activities to help you develop every aspect of your reading and writing ability. This workbook has been designed so it can be used either in a class with an instructor or by independent learners working on their own. Both simplified and traditional characters are taught and practiced in the same volume. This means students can learn either or both kinds of characters without having to purchase another book, and instructors have the

flexibility to teach a combined class where some students read and write one type of characters and other students the other type. This workbook provides character practice sheets for the 336 characters introduced in Intermediate Written Chinese, with complete information on stroke order and direction for both the simplified and traditional forms of the characters. Reading and writing exercises are included, such as those involving dictation and the answering of questions based on the content of each lesson. English-Chinese translation exercises are provided for each unit. The Downloadable content provides: Native-speaker audio recordings for dictation practice. Printable flash cards for all the new characters and words, with Chinese

characters on one side and Pinyin and English on the other. Printable pdf files with additional exercises and activities. Together with this book, you can use Intermediate Spoken Chinese if you want to learn fluent spoken Mandarin. About the Series: Respected Chinese language expert Dr. Cornelius Kubler, who has taught diplomats, business people and students, presents a learning system that uses separate but integrated "tracks" to help you efficiently master the basics of spoken and written Chinese. The materials in the Basic Chinese series allow you to move from complete beginner level to basic fluency.

Ultraviolet LED Technology for Food Applications

From Farms to Kitchens *Academic Press*

Ultraviolet LED Technology for Food Applications: From Farms to Kitchens examines the next wave in the LED revolution and its ability to bring numerous advantages of UVC disinfection. As UVC LED-based light fixtures will become the driving force behind wider adoption, with potential use in the treatment of beverages, disinfection of food surfaces, packaging and other food contact and non-contact surfaces, this book presents the latest information, including LEDs unique properties and advantages and the developments and advances made in

four areas of application, including produce production and horticulture, post-harvest and post processing storage, safety and point-of-use applications. Alternative opportunities to current practices of food production and processing that are more sophisticated and diverse are being intensively investigated in recent decades, things like Ultraviolet light (UV) irradiation. The effects of UVC LEDs against bacteria, viruses and fungi already have been demonstrated and reported, along with the first applications for disinfection of air, water and surface made for the "point-of-use" integration. Brings unique advantages of LEDs for foods from farm to kitchens Explores applications and advances in LEDs for horticulture, crops production, postharvest reservation and

produce storage Investigates UV LEDs in
food safety
