The Madness Vase by Andrea Gibson. \$15.00. Throughout their career, Gibson's poems have always been a call to social justice, but this collection goes beyond awareness. The images linger in our psyches and entreat us to action. They challenge us to grow into our own skin. The journey may be raw at times but we

are continuously left inspired, held, and certain we are not alone.

Andrea Gibson's latest collection is a masterful showcase. With artful and nuanced looks at gender, romance, loss, and family. Each emotion here is deft and delicate, resting inside of imagery heavy enough to sink the heart, while giving the body wings to soar.
