The Second Sex was published in 1949, at a time when feminism was not yet widely discussed as a pressing social issue. It is

widely considered to be a formative text of second-wave feminism. This strain of feminism shifted focus from gaining certain legal rights—such as suffrage, property rights, etc.—toward considering how sexism also impacted women across many different spheres of their ...

Geometry Second Semester Exam Study Guide

The second part of the second volume is the longest section of the book and summarizes the many different roles a woman can play in society. It is in this section that de Beauvoir presents her main ideas: women are limited in every role they can play in society, and are thus forced to adopt certain traits and coping mechanisms that have made them even more inferior in society.

If I rightly understand the concept of a study guide, it has two purposes. First, a study guide is designed to highlight the issues raised in the book. Second, it is designed to enlarge and to further the discussion of the book. These two goals are virtual opposites. One tries to nail things down; the other tries to open things up. One tries to
