Master. That's what they call him. I've spent my life in a cage, cloistered by politics and social maneuvering. A prisoner to expectation. Yet I'd give anything to be a certain man's slave. A year ago, I wouldn't have recognized the woman I've become. That was before I

discovered Crave. Before Demetri ripped the inhibitions clean off my body the first time he undressed me with his icy blue eyes in the club that fateful night. Now he's all I can think about. "Thrilling, suspenseful and heart-stopping!" ~NYT Bestseller Alessandra Torre He's death for hire... Some people measure life in hours. Days. Weeks. I measure mine in kills. A covert military mission gone wrong robbed me of my memory and any link to my past. This is my existence now. I execute and survive. Nothing more, nothing less. I was ready to write Isabel Foster's name in my ledger of unfortunate souls until she uttered the one word that could stop the bullet meant for her. My name. She knows my face. She

knows me. She's the key to the memories I'm not sure I want back. Now nothing is simple. I still have a job to do, and my soul isn't worth saving. I'm not the man she thinks I am. I can't love her. And sparing her life puts us both in the crosshairs.

headquarters of one of our greatest enemies and home to the man I left back in Rio? I haven't forgotten Kolt's betrayal nor the blood that's already been spilled between our families. Inviting him back into my life with the promise of settling our unfinished business is a dangerous gamble that could end in more bloodshed. January *Waterhouse Press*

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." -Meredith Wild, #1 NYT Bestselling Author
Synopsis It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be

killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. *** Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple.

Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia, told from her perspective as she continues her journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Mind *Waterhouse Press LLC*

I'm a magnet for evil and controlling men. Chase, my big business tycoon and love of my life, thinks he can protect me...he can't. No one can. It became clear far too late how serious my stalker was, that his threats weren't idle. He proved more than once that he would do what it takes, that there were no stakes too high to his sick and twisted games and delusions of worship. We should have been better prepared. The roses, images, lingerie soaked in his seed, even his calling card written in blood didn't

penetrate. I had faith that my love could make it go away, that eventually he'd be caught. I was wrong.

*** In the second highly anticipated erotic suspense novel in the Trinity Trilogy, MIND digs deep into the heart and psyche of Gillian and her stalker through dueling POVs. While Chase and Gillian plan their wedding, follow them and the entire gang as the stalker acts out his revenge and plots his attack on Gillian, Chase, and their friends. This book can be considered dark, erotic, and thrilling. As in *Body* (Trinity Trilogy Book 1) the issue of domestic violence plays heavily in the story line, and Gillian experiences many disturbing flashbacks of the past, alongside

tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. MIND is book 2 of a three-part trilogy. Body (Trinity Trilogy - Book 1) must be read prior to reading MIND.
