Problem And Solution Reading Worksheets
 Problem and Solution.

Problem and Solution is a pattern of organization where information in a passage is expressed as a dilemma or concerning issue (a problem) and something that was, can be, or should be done to remedy this issue (solution or attempted solution). The problem and solution text structure may seem like it would be easy to recognize, but it can be moderately difficult to identify because it is frequently confused with the cause and effect pattern of organization, as they both ...
