Public School Students Need to Study Religion (Opinion)

A Christian school is a school run on Christian principles or by a Christian organization.. The nature of Christian schools varies enormously from country to country, according to the religious, educational, and political cultures. In some countries, there is a strict separation of church and state, so all religious schools are private; in others, there is an established church whose teachings ...

Christian school - Wikipedia

The Cons of Religion in Schools. Separation of Church and State Opponents of religion in schools often bring up the issue of church and state. These separation laws are in effect in the country in order to further exemplify the first amendment. Putting a focus on religion in schools is a direct violation of these laws. Excludes Students
