Rich Dad's Guide to Becoming Rich...Without Cutting Up Your Credit Cards *Grand Central Publishing*

Why cutting up your credit cards won't make you rich A popular TV personality often says, "Take out your credit cards and cut them into pieces." While that is sound advice for people who are not financially responsible, it is inadequate advice for anyone who wants to become rich or financially free. In other words,

just cutting up your credit cards will not make you rich. What does make you rich is financial education...unfortunately a type of education we do not receive in school. If a person has a solid financial education, they would know that there are two kinds of debt...good debt and bad debt. A person with a sound financial education would know how to use good debt to make them richer faster...much faster than a person who only saves money and has no debt. Rich Dad's Guide to Becoming Rich * Are you in credit card debt? * Is job security dead? * Is your financial security threatened? * Is a high-paying job the answer? * Is your money working for you? * Do you have good debt or bad debt? We all need more financial education. We need to know how to

have our money work hard for us so we don't have to spend our lives working for money. That is why we need more sophisticated financial education...not oversimplified and childish financial tips such as cut up your credit cards or save more money. If you are ready to increase your financial education and enjoy your credit cards, then this book is for you.

Rich Dad, Poor Dad *Lulu Press, Inc*

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I

have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

Rich Dad's Increase Your Financial IQ

Get Smarter with Your Money *Business Plus*

For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over

and over again, one has to truly understand the process of how money works before one can start out on trying to escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In INCREASE YOUR FINANCIAL IQ, Kiyosaki provides real insights on these key steps to wealth:

- o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future.
- o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make....it's what you keep."
- o How to budget your money -- everybody wants to live large, but you have to learn

how to live within your budget. Kiyosaki shows you how you can.

- o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step.
- o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.

The Interpretation of Financial Statements

The Classic 1937 Edition *Harper Collins*

"All investors, from beginners to old hands, should gain from the use of this guide, as I have." From the Introduction by Michael F. Price, president, Franklin Mutual Advisors, Inc. Benjamin Graham has been called the most important investment thinker of the twentieth

century. As a master investor, pioneering stock analyst, and mentor to investment superstars, he has no peer. The volume you hold in your hands is Graham's timeless guide to interpreting and understanding financial statements. It has long been out of print, but now joins Graham's other masterpieces, *The Intelligent Investor* and *Security Analysis*, as the three priceless keys to understanding Graham and value investing. The advice he offers in this book is as useful and prescient today as it was sixty years ago. As he writes in the preface, "if you have precise information as to a company's present financial position and its past earnings record, you are better equipped to gauge its future possibilities. And this is the essential function and value of

security analysis." Written just three years after his landmark *Security Analysis*, *The Interpretation of Financial Statements* gets to the heart of the master's ideas on value investing in astonishingly few pages. Readers will learn to analyze a company's balance sheets and income statements and arrive at a true understanding of its financial position and earnings record. Graham provides simple tests any reader can apply to determine the financial health and well-being of any company. This volume is an exact text replica of the first edition of *The Interpretation of Financial Statements*, published by Harper & Brothers in 1937. Graham's original language has been restored, and readers can be assured that every idea and technique presented

here appears exactly as Graham intended. Highly practical and accessible, it is an essential guide for all business people--and makes the perfect companion volume to Graham's investment masterpiece *The Intelligent Investor*.

Rich Dad's Advisors: Guide to Investing In Gold and Silver

Everything You Need to Know to Profit from Precious Metals Now *Business Plus*

"Throughout the ages, many things have been used as currency: livestock, grains, spices, shells, beads, and now paper. But only two things have ever been money: gold and silver. When paper money becomes too abundant, and thus loses

its value, man always turns back to precious metals. During these times there is always an enormous wealth transfer, and it is within your power to transfer that wealth away from you or toward you." --Michael Maloney, precious metals investment expert and historian; founder and principal, Gold & Silver, Inc. The Advanced Guide to Investing Gold and Silver tells readers: The essential history of economic cycles that make gold and silver the ultimate monetary standard. How the U.S. government is driving inflation by diluting our money supply and weakening our purchasing power Why precious metals are one of the most profitable, easiest, and safest investments you can make Where, when, and how to invest your money and realize maximum returns, no matter

what the economy's state Essential advice on avoiding the middleman and taking control of your financial destiny by making your investments directly.

Time to Get Tough

Make America Great Again! *Simon and Schuster*

A New York Times bestseller! For the

first time in his own words, President-elect Donald J. Trump explains his plan to make America great again! He wants to “put America’s interests first—and that means doing what’s right for our economy, our national security, and our public safety.” Throughout the 2016 campaign, Trump conjured images of American strength and culture when small towns boomed with industry, mom and pop shops bustled, and people said, “Merry Christmas!” The media scoffed at Trump’s vision and the people who supported him; they were blinded by the Clinton machine. But their eyes were opened after Trump won 62 million votes and the Oval Office. Even Republican House Speaker Paul Ryan said, “Donald Trump heard a voice in this country that no one else heard.” As Trump says in

Time to Get Tough, “I’ve built businesses across the globe. I’ve dealt with foreign leaders. I’ve created tens of thousands of American jobs. My whole life has been about executing deals and making real money—massive money. That’s what I do for a living: make big things happen...” Trump is about to make the biggest deals of his life, and he’s going to make them for America! From reversing lax immigration policies to eliminating regulations that restrict small businesses, Donald Trump understands that America “doesn’t need cowardice, it needs courage.” President Elect Trump is about to “Make America Great Again” and Time to Get Tough is his blueprint!

The Snowball

Warren Buffett and the Business of Life A&C Black

Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 The Snowball is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha's" business savvy, life story and philosophy, The Snowball is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm

Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. The Snowball provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.

Four Pillars of Investing for Thriving in Today's Markets *RDA Press, LLC*

The book begins by addressing many of the challenges stock market investors face today and the various ways many investors use the stock market to achieve their goals. A valuable discussion of where paper assets fit (and do not fit) in the context of Rich Dad principles and its place among the other assets classes such as real estate business and commodities. The bulk of the book educates investors on "Andy's 4 pillars of stock market income" and effectively simplifies the four concepts to help investors begin to harness their power. The book concludes with ideas for an individual action plan suited to the

goals of the reader

Rich Dad Poor Dad for Teens

The Secrets about Money--that You Don't Learn in School!

The Advanced Guide to Real Estate Investing

How to Identify the Hottest Markets and Secure the Best Deals *RDA Press, LLC*

If you're interested in real estate investing, you may have noticed the lack

of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate

investment 101, McElroy tells readers:
 How to think--and operate--like a real estate mogul
 How to identify and close expert deals
 Why multifamily housing is the best real estate investment out there
 How to surround yourself with a team that will help maximize your money
 How to avoid paying thousands in taxes by structuring property sales wisely
 Important projections about the future of real estate investment

ABCs of Buying Rental Property

How You Can Achieve Financial Freedom in Five Years *RDA Press, LLC*

Many Americans dream of financial freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence and a path to

financial freedom. THIS BOOK WILL TEACH YOU HOW TO: - Secure your investment money - Find your ideal market--and a positive-cash-flow property - Efficiently manage your property - Handle your record keeping - Boost revenues and cut costs - File your taxes using a step-by-step process - Build your real estate portfolio

Who Stole My Pension?

How You Can Stop the Looting

It's estimated that there are over 50 million pensioners--in the United States alone. Like the United States, the United Kingdom, Japan, Italy, Germany and many other countries around the world are all in big trouble when it comes to the solvency of their pension funds. Who Stole My Pension? was written to give them guidance, resources, and tools so they can take action... and stop the looting. We are in the early stages of the greatest retirement crisis in the history of our nation and, indeed, the entire world. According to the World Health Organization, nearly two billion people around the world are expected to be over age 60 by 2050, a figure that's more than triple what it was in 2000. For better or for worse, never before have

there been more elderly people living on planet Earth. One thing is certain: Doing nothing--sitting back, confident your pension check is "in the mail"--is not an option. That's a risk you can't afford to take. According to Edward Siedle, a former attorney with the United States Securities and Exchange Commission and America's leading expert in pension looting, "In the decades to come, we will witness hundreds of millions of elders worldwide, including America's Baby Boomers, slipping into poverty. Too frail to work, too poor to retire will become the "new normal" for many of the aged." Kiyosaki, who like Siedle saw this crisis looming years ago, complements the facts and stats Siedle puts forth with strategies on how retirees can take control--not only their pensions, but their

financial futures. Kiyosaki writes about the fact that his father, a highly educated man he calls his poor dad, wasn't poor until he lost his job, his paycheck--and his pension. "His PHD couldn't save him," says Kiyosaki, who has dedicated his life to teaching and financial literacy advocacy. In *Who Stole My Pension?* the authors focus on the most misunderstood and ignored cause of the pension crisis: mismanagement of pensions and investments. The culprits that are looting the pensions of public school teachers, firefighters, police, as well as private sector workers, are on Wall Street. The Wall Street casinos charging high fees for gambling in risky hedge funds and other speculative investments, outrageous investment-industry conflicts of interest, and

outright violations of the law. *Who Stole My Pension?* is an in-depth assessment of the pension crisis that the world is facing today and what millions around the world--employees who expected to have pension income at retirement--can do about it. The authors recount a history of pension failures, inexperienced boards, gambling, looting and other

horror stories--with a focus on action steps workers and retirees can take to quickly determine if a pension is being mismanaged as well as the concrete steps they can take to end decades of pension mismanagement. They detail critical questions retirees can ask--and guidance regarding how to act on what they learn.
