There's No Such Thing *Allen & Unwin*

Bear can't sleep. Did you hear that? Did you feel that? What was it? It wasn't a hungry giant or a blood-sucking spider or a fire-breathing dragon because there is NO SUCH THING... Is there?

There's No Such Thing As Unicorns

When a little girl is told there's no such thing as unicorns, she doesn't believe it for a second. Surely unicorns exist? But if she's has any chance of proving that unicorns are real, the little girl needs proof! And so starts a wonderful journey. And DO unicorns exist? There's only one way to find out...

There's No Such Thing As a Dragon *Dragonfly*

Billy Bixbee's mother won't admit that dragons exist until it is nearly too late.

There's No Such Thing as an Easy Job *Bloomsbury Publishing USA*

Convenience Store Woman meets The New Me in this strange, compelling, darkly funny tale of one woman's search for meaning in the modern workplace. A young woman walks into an employment agency and requests a job that has the following traits: it is close to her home, and it requires no reading, no writing, and ideally, very little thinking. Her first gig--watching the hidden-camera feed of an author suspected of storing contraband goods--turns out to be inconvenient. (When can she go to the bathroom?) Her next gives way to the supernatural: announcing advertisements for shops that mysteriously disappear. As she moves from job to job--writing trivia for rice cracker packages; punching entry tickets to a purportedly haunted public park--it becomes increasingly apparent that she's not searching for the easiest job at all, but something altogether more meaningful. And when she finally discovers an alternative to the daily grind, it comes with a price. This is the first time Kikuko Tsumura--winner of Japan's most prestigious literary award--has been translated into English. There's No Such Thing as an Easy Job is as witty as it is unsettling--a jolting look at the maladies of late capitalist life through the unique and fascinating lens of modern Japanese culture.

There's No Such Thing as Elves

There's No Such Thing as Little Knopf Books for Young Readers

A heartwarming book that takes a look at all things little . . . and reveals some big surprises with each turn of the page. These things may seem little: A fish. An idea. A snowflake. But what if that little fish was also brave? And that little idea was fantastic? And that little snowflake turned out to be unique in all the world? Featuring die-cut holes in the spirit of Laura Vaccaro Seeger’s Lemons Are Not Red, There’s No Such Thing as Little is bright, warm, and endlessly inviting, and will encourage readers of all ages to think BIG about what “little” really means.

There's No Such Thing As Plan B

No Such Thing As Normal

No Such Thing As Normal speaks to the curiosities and difficult questions that arise in a world full of diversity. Equipped with discussion questions, this story provides a creative, honest, and interactive way to instill dignity and respect for all people.

There's No Such Thing As Humans HVF Publishing

Grub is a little monster with a big problem – he’s absolutely terrified of humans, especially the one his brother says lives under his bed. Grub’s mum says there’s no such thing as humans, but even so, they must never go to the edge of the forest. That’s fine by Grub, until his brother dares him. He can’t refuse a double dare, can he? Will Grub find humans at the edge of the forest ... or something even worse?

There's No Such Thing Albert Street Books

Bear can't sleep. Did you hear that? Did you feel that? What was it? It wasn't a hungry giant or a blood-sucking spider or a fire-breathing dragon because there is NO SUCH THING... Is there?

Rooted in the latest science - explained really simply - this engaging, accessible and warm parenting guide will redefine how you see and raise your children, with a new understanding that for under-fives, there can be no such thing as 'naughty'.

There's No Such Thing as Bad Weather

A Scandinavian Mom's Secrets for Raising Healthy, Resilient, and Confident Kids (from Friluftsliv to Hygge) Simon and Schuster

Bringing Up Bébé meets Last Child in the Woods in this “fascinating exploration of the importance of the outdoors to childhood development” (Kirkus Reviews) from a Swedish-American mother who sets out to discover if the nature-centric parenting philosophy of her native Scandinavia holds the key to healthier, happier lives for her American children. Could the Scandinavian philosophy of “There’s no such thing as bad weather, only bad clothes” hold the key to happier, healthier lives for American children? When Swedish-born Linda Åkeson McGurk moved to Indiana, she quickly learned that the nature-centric parenting philosophies of her native Scandinavia were not the norm. In Sweden, children play outdoors year-round, regardless of the weather, and letting babies nap outside in freezing temperatures is common and recommended by physicians. Preschoolers spend their days climbing trees, catching frogs, and learning to compost, and environmental education is a key part of the public-school curriculum. In the US, McGurk found the playgrounds deserted, and preschoolers were getting drilled on academics with little time for free play in nature. And when a swimming outing at a nearby creek ended with a fine from a park officer, McGurk realized that the parenting philosophies of her native country and her adopted homeland were worlds apart. Struggling to decide what was best for her family, McGurk embarked on a six-month journey to Sweden with her two daughters to see how their lives would change in a place where spending time in nature is considered essential to a good childhood. Insightful and lively, There’s No Such Thing as Bad Weather is a fascinating personal narrative that illustrates how Scandinavian culture could hold the key to raising healthy, resilient, and confident children in America.

There's No Such Thing As Monsters

Little Bear is so excited! He's going to sleep in his very own bedroom for the first time ever. But without his big brother there, Little Bear's new bedroom seems a bit scary. It's full of strange shadows and noises, and he's sure there's a monster that wants to eat him!

There is No Such Thing as Coincidence --

And Other Stories of Divine Providence Feldheim Publishers

It's certainly no coincidence that this book has become an instant bestseller! With its over seventy-five true, inspirational stories of Divine Providence, hashgachah pratis, this book opens our eyes to Hashem’s constant presence in our lives. From saving a life to saving a soul, from recovering lost tefillin to recovering lost faith, from the little things to the big things--this book is sure to touch all who read it. Culled and adapted from Rabbi Baruch Lev’s column in the English-language Hamodia newspaper, this volume will strengthen your faith in Hashem and His ways. It's one of those books that you will read, savor, and read again.

Mismatch

How Inclusion Shapes Design MIT Press

How inclusive methods can build elegant design solutions that work for all. Sometimes designed objects reject their users: a computer mouse that doesn't work for left-handed people, for example, or a touchscreen payment system that only works for people who read English phrases, have 20/20 vision, and use a credit card. Something as simple as color choices can render a product unusable for millions. These mismatches are the building blocks of exclusion. In Mismatch, Kat Holmes describes how design can lead to exclusion, and how design can also remedy exclusion. Inclusive design methods—designing objects with rather than for excluded users—can create elegant solutions that work well and benefit all. Holmes tells stories of pioneers of inclusive design, many of whom were drawn to work on inclusion because of their own experiences of exclusion. A gamer and designer who depends on voice recognition shows Holmes his “Wall of Exclusion,” which displays dozens of game controllers that require two hands to operate; an architect shares her firsthand knowledge of how design can fail communities, gleaned from growing up in Detroit's housing projects; an astronomer who began to lose her eyesight adapts a technique called “sonification” so she can “listen” to the stars. Designing for inclusion is not a feel-good sideline. Holmes shows how inclusion can be a source of innovation and growth, especially for digital technologies. It can be a catalyst for creativity and a boost for the bottom line as a customer base expands. And each time we remedy a mismatched interaction, we create an opportunity for more people to contribute to society in meaningful ways.

There's No Such Thing as an IT Project

A Handbook for Intentional Business Change Berrett-Koehler Publishers

Learn how to stop pouring vast sums of money into technology projects that don't have a lasting impact by closing the communication gap between IT and leadership. Too many businesses miss opportunity after opportunity to design, plan, and achieve intentional business change. Why? Because they charter projects focused on delivering software products: IT projects. But as this groundbreaking book points out, there's no such thing as an IT project—or at least there shouldn't be. It's always about intentional business change, or what's the point? It's time to stop providing simplistic, one-dimensional, all-you-gotta-do panaceas. When the only constant in business is change, truly useful IT has to help you change instead of build solutions that are obsolete even before they are completed. IT consultant Bob Lewis, author of the bestselling Bare Bones Project Management, has joined forces with seasoned CIO Dave Kaiser to give you the tools you need. It's a multidimensional, relentlessly practical guide. Condensed to handbook length and seasoned with Lewis's trademark sardonic humor, it's an enjoyable and digestible read as well. Lewis and Kaiser take you step by step through the process of building a collaboration between IT and the rest of the business that really works. Insisting on intentional business change takes patience, communication, and courage, but it has a huge payoff. More to the point, insist on anything else and every penny you spend will be a wasted dime and a waste of time.

There's No Such Thing as a Snappenpoop *Little Tiger Press*

Little Brother wants to join in the fun with his sibling, but Big Brother won't let him play. "Fetch me a Snappenpoop!" says Big Brother. "Then you can play . . ." But everybody knows there's no such thing as a Snappenpoop . . . or IS there? A wonderfully unique story from award-winning author Jeanne Willis (The Bog Baby, The First Slodge). Packed with magical creatures and bossy siblings, this delightfully wicked cautionary tale is set to become a children's favourite. With stunning artwork from debut picture book illustrator Matt Saunders.

There's No Such Thing as "Business" Ethics

There's Only One Rule for Making Decisions *FaithWords*

There's no such thing as business ethics. How can that be? Because a single standard applies to both your business and personal life-and it's one we all know and trust: the Golden Rule. Now bestselling author John C. Maxwell shows you how this revered ideal works everywhere, and how, especially in business, it brings amazing dividends. There's No Such Thing As "Business" Ethics offers: * Stories from history, business, government, and sports that illustrate how talented leaders invoked this timeless principle * Examples of difficult business decisions-layoffs, evaluations, billing clients, expansion-and how the Golden Rule applies to each * The five most common reasons people compromise their ethics-and how you can prevail over such moral obstacles * How applying the Golden Rule to business builds morale, increases productivity, encourages teamwork, lowers employee turnover, and keeps clients coming back. John C. Maxwell not only reveals the many ways the Golden Rule creates the perfect environment for business success, but does it with great wisdom, warmth, and humor. Backed by flawless research and the ideas of history's best thinkers, this engaging book brilliantly demonstrates how doing the right thing fosters a winning situation for all, with positive results for employees, clients, investors, and even your own state of mind. Business runs much more smoothly, profits increase, and you know that you've set the groundwork for years of future prosperity...and it's all thanks to the tried-and-true Golden Rule.

There's No Such Thing as Ghosts! *Kane Miller Book Pub*

A young boy sneaks away to search for ghosts in an old house in his neighborhood that is said to be haunted.

There Is No Such Thing As Luck

6 Steps to Create, Recognize, and Grasp More Opportunity *CreateSpace*

This book is the product of two years of extensive learning that I affectionately call "My Library Card MBA." I read dozens of books and articles about business, goal-setting, entrepreneurship, personal growth, psychology, management, and coaching. Several common themes emerged - heck, they nearly slapped me across the face and demanded to be heard! In every book and in every case study, regardless of the fields in which the subjects applied themselves, success was the result of a good plan and consistent effort. This book distills salient lessons from dozens of well known self-help and business thought-leaders. After completing the six steps and accompanying exercises in this book, you will be well on your way to creating, recognizing, and grasping more opportunities.

There's No Such Thing as Free Speech, and It's a Good Thing, Too *Oxford University Press on Demand*

A vigorous debunker of the pieties of both the left and the right, Stanley Fish takes aim at the ideological gridlock paralyzing academic and political exchange in the nineties. Fish is Arts and Sciences Professor of English and Professor of Law at Duke University, and the author of many books.

There's No Such Thing as a No Good Man *Infinity Publishing*

There's No Such Thing as an Easy Job *Bloomsbury Publishing USA*

Unable to find the perfect job that suits her needs, a young woman discovers an alternative to the daily grind that comes with a high price.

There's No Such Thing as a Free Lunch *Open Court Publishing Company*

Collects magazine columns in which Professor Friedman explains, in layman's terms, the economic realities underlying current political and social issues. Bibliogs

Business runs much more smoothly, profits increase, and you know that you've set the groundwork for years of future prosperity...and it's all thanks to the tried-and-true Golden Rule.

No Such Thing as a Free Gift

The Gates Foundation and the Price of Philanthropy *Verso Books*

Philanthro-capitalism: How charity became big business The charitable sector is one of the fastest-growing industries in the global economy. Nearly half of the more than 85,000 private foundations in the United States have come into being since the year 2000. Just under 5,000 more were established in 2011 alone. This deluge of philanthropy has helped create a world where billionaires wield more power over education policy, global agriculture, and global health than ever before. In No Such Thing as a Free Gift, author and academic Linsey McGoey puts this new golden age of philanthropy under the microscope—paying particular attention to the Bill and Melinda Gates Foundation. As large charitable organizations replace governments as the providers of social welfare, their largesse becomes suspect. The businesses fronting the money often create the very economic instability and inequality the foundations are purported to solve. We are entering an age when the ideals of social justice are dependent on the strained rectitude and questionable generosity of the mega-rich.

There's No Such Thing as "The Economy"

Essays on Capitalist Value *Punctum Books*

Every Economics textbook today teaches that questions of values and morality lie outside of, are in fact excluded from, the field of Economics and its proper domain of study, "the economy." Yet the dominant cultural and media narrative in response to major economic crisis is almost always one of moral outrage. How do we reconcile this tension or explain this paradox by which Economics seems to have both everything and nothing to do with values? The discipline of modern economics hypostatizes and continually reifies a domain it calls "the economy"; only this epistemic practice makes it possible to falsely separate the question of value from the broader inquiry into the economic. And only if we have first eliminated value from the domain of economics can we then transform stories of financial crisis or massive corporate corruption into simple tales of ethics. But if economic forces establish, transform, and maintain relations of value then it proves impossible to separate economics from questions of value, because value relations only come to be in the world by way of economic logics. This means that the "positive economics" spoken of so fondly in the textbooks is nothing more than a contradiction in terms, and as this book demonstrates, there's no such thing as "the economy." To grasp the basic logic of capital is to bring into view the unbreakable link between economics and value.

No Such Thing as Dragons *Scholastic Inc.*

New in paperback--an unforgettable dragon story from Philip Reeve! Ansel's new master slays dragons for a living. He says he's hunted the monstrous worms all over Christendom-and he has the scars to prove it! But is Brock just a clever trickster in shining armor? Ansel is sure there are no such things as dragons. So what is the man-eating creature that lives in the crags of Dragon Mountain? As he and Brock climb the perilous ice-face to its lair, Ansel is about to discover the horrifying truth. A heart-pounding new fantasy with a brilliant twist from Philip Reeve, one of the world's greatest writers. "His imagination is electrifying."--Frank Cottrell Boyce, author of Millions and Cosmic

There’s No Such Thing as a Sexual Relationship

Two Lessons on Lacan *Columbia University Press*

Published in 1973, "L'Etourdit" was one of the French philosopher Jacques Lacan's most important works. The book posed questions that traversed the entire body of Lacan's psychoanalytical explorations, including his famous idea that "there is no such thing as a sexual relationship," which seeks to undermine our certainties about intimacy and reality. In There's No Such Thing as a Sexual Relationship, Alain Badiou and Barbara Cassin take possession of Lacan's short text, thinking "with" Lacan about his propositions and what kinds of questions they raise in relation to knowledge. Cassin considers the relationship of the real to language through a Sophist lens, while the Platonist Badiou unpacks philosophical claims about truth. Each of their contributions echoes back to one another, offering new ways of thinking about Lacan, his seminal ideas, and his role in advancing philosophical thought.

I Just Ate My Friend *Simon and Schuster*

John Klassen’s I Want My Hat Back meets Lucy Ruth Cummins’s A Hungry Lion in this hilarious, deadpan story about a creature looking for a new friend after eating his last one. A little creature is looking for a new friend, but he’s not having any luck. Why is he looking for a new friend? Because he ate his old one. Heidi McKinnon delivers a hilariously macabre story with colorful illustrations and a satisfying, dry wit.

No Such Thing As Werewolves

Deathless Book 1 *Chris Fox*

WARNING: May Contain Werewolves. A pyramid predating all known cultures appears without warning. Its discovery throws into question everything we know about the origins of mankind. Inside lies incredible technology, proof of a culture far more advanced than our own. Something dark lurks

within, eager to resume a war as old as mankind. When it is unleashed it heralds the end of our species’ reign. A plague of werewolves spreads across the world. A sunspot larger than anything in recorded history begins to grow. Yet both pale in comparison to the true threat, the evil the werewolves were created to fight. "It's like Indiana Jones went through the Stargate and ended up in Aliens versus Predator." - One of the author's totally biased friends. The Deathless Saga Book 0: The First Ark Book 1: No Such Thing As Werewolves Book 2: No Mere Zombie (April 2015) Book 3: Vampires Don't Sparkle (October 2015)

There Is No Such Thing As Hate Speech

A Case For Absolute Freedom Of Expression Bloomsbury Publishing

A bold and audacious take on the subject of freedom of expression. Championing the cause of limitless liberty, Ravi Shanker Kapoor builds his case on the platform of philosophy. He trashes the 'hurting-the-sentiments' and 'offending-the-sensibilities' notions as tricks to enslave humankind. He also slams fashionable liberals and others who peddle the myth of 'Islamophobia'. His position is: 'extremism in the defense of liberty.' He argues for 'extremism in the defense of liberty with cogent reasoning and relevant instances. For him the enemies of liberty in our time are sophisticated people; multiculturalism is their armour, political correctness is their weapon, and postmodern jargon their camouflage.

There Is No Such Thing as Cultural Identity John Wiley & Sons

As people throughout the world react to globalization and revert to nationalism, they are proclaiming distinct cultural identities for themselves. Cultural identity seems to offer a defensive wall against the homogenizing effects of globalization and a framework for nurturing and protecting cultural differences. In this short and provocative book, François Jullien argues that this emphasis on cultural identity is a mistake. Cultures exist in relation to one another and they are constantly mutating and transforming themselves. There is no cultural identity, there are only what Jullien calls ‘resources’. Resources are created in a certain space, they are available to all and belong to no one. They are not exclusive, like the values to which we proclaim loyalty; instead, we deploy them or not, activate them or let them fall by the wayside, and each of us as individuals is responsible for these choices. This conceptual shift requires us to redefine three key terms – the universal, the uniform and the common. Equipped with these concepts, we can rethink the dialogue between cultures in a way that avoids what Jullien sees as the false debate about identity and difference. This powerful critique of the modern shibboleth of cultural identity will appeal to anyone interested in the great social and political questions of our time.

We Found a Cat

There's No Such Thing as Bad Weather

A Scandinavian Mom's Secrets for Raising Healthy, Resilient, and Confident Kids (from Friluftsliv to Hygge) Touchstone

Bringing Up Bébé meets Last Child in the Woods in this “fascinating exploration of the importance of the outdoors to childhood development” (Kirkus Reviews) from a Swedish-American mother who sets out to discover if the nature-centric parenting philosophy of her native Scandinavia holds the key to healthier, happier lives for her American children. Could the Scandinavian philosophy of “There’s no such thing as bad weather, only bad clothes” hold the key to happier, healthier lives for American children? When Swedish-born Linda Åkeson McGurk moved to Indiana, she quickly learned that

the nature-centric parenting philosophies of her native Scandinavia were not the norm. In Sweden, children play outdoors year-round, regardless of the weather, and letting babies nap outside in freezing temperatures is common and recommended by physicians. Preschoolers spend their days climbing trees, catching frogs, and learning to compost, and environmental education is a key part of the public-school curriculum. In the US, McGurk found the playgrounds deserted, and preschoolers were getting drilled on academics with little time for free play in nature. And when a swimming outing at a nearby creek ended with a fine from a park officer, McGurk realized that the parenting philosophies of her native country and her adopted homeland were worlds apart. Struggling to decide what was best for her family, McGurk embarked on a six-month journey to Sweden with her two daughters to see how their lives would change in a place where spending time in nature is considered essential to a good childhood. Insightful and lively, There’s No Such Thing as Bad Weather is a fascinating personal narrative that illustrates how Scandinavian culture could hold the key to raising healthy, resilient, and confident children in America.

No! Never! Lothian Children's Books

Georgie is a sweet little girl who always makes her parents happy... until she discovers one powerful phrase: No! Never! It suddenly becomes her answer to every request, from tidying up her toys to going to bed. Her parents are at their wits end, but what happens when they decide to try saying No! Never! themselves?

Baz & Benz Simon and Schuster

This engaging and vividly illustrated picture book playfully explores the loyalty between best friends who will continue to love each other—no matter what. “Benz, are we friends?” “Yes, Baz, we are best friends.” “For how long?” “For ever and ever.” But what do you do when your best friend is...kind of annoying? A delightfully funny and warmhearted story about a little owl exploring the boundaries of friendship, and the best friend who loves them anyway.

There Is No Such Thing As a Bad Book A Short Story and Essay Collection

Up-and-coming storyteller Sukhroop Singh gives his insights into pressing topics such as book censorship, creating suspense, creativity, food insecurity, creating villains, finding ideas, inspiration, and more.

There is No Such Thing as a Natural Disaster

Race, Class, and Hurricane Katrina Taylor & Francis

The book, edited by two eminent scholars/authors, gathers together ten excellent scholars to put forth a multifaceted portrait of the social implications of the disaster. And the disaster was primarily social in nature, as the title reminds us. The book covers the response to the disaster and the roles that race and class played, its impact on housing, the historical context of urban disasters in America, the nature of contemporary metropolitan planning, what the hurricane has taught us about planning, the role of the vast prison system in all of this, the future of economic development, the roles of business and the media, and how the hurricane disproportionately impacted female headed households. In total, it offers a critical and comprehensive social portrait of the disaster's catastrophic effects on New Orleans.
