Spa Operations Manual

Your Spa Operations Manual (SOM) is also referred to as your Standard Operating Procedures. These manuals can be an outline of procedures or be very detailed. In the past, some businesses just had opening and closing checklists. This is not specific enough to guide the staff in running the business.

Spa Operations Manual | International Spa Association

Your spa owner's manual is an important piece of literature, detailing safety information, installation instructions, and covering every aspect of use, care and maintenance for your spa or hot tub. Spa manufacturers write some of the most detailed owner's manuals that I've ever read. I've been curating spa and hot tub owner's manuals for many years, but now they sit dusty on the shelf, as most manufacturers have their owner's manuals listed online.
