2004 Yamaha WaveRunner® XLT 800 Reviews, Prices, and Specs

I have two 2003 Yamaha XLT's that were purchased new. Both have less than 55 hoours on them and now the "power Valve" has caused piston and cylinder damage to the No. 1 cylinder. Is this a common problem with this motor and is there anyway to prevent this from happening to the second ski. Both have been maintained to the letter each year and are stored in a garage under covers.
