During the preparation, the patient and their family will have the opportunity to ask and discuss any questions they may have regarding their procedures. Play preparation may be a one-off event or an ongoing piece of work, for example a child or young person with a needle phobia may require several sessions with a stepped approach to de-sensitise them.

Play preparation - CCLG

Clean your knives after each use. Wash the knife individually while holding the knife so that the top of the blade is pointed away from you. Avoid submerging knives completely underwater and instead use a dishcloth to gently wipe the blade: the dull top side first and then the sharper edge. For a deeper, slightly more aggressive clean, use a sponge instead of a dishcloth.
