Key for Innovation: Aspiration. Having employees aspire toward a goal, whether they are creative or analytical, just creates that mindset that things have to get done. The best example that I can think of is one we, as a country, came up with a goal of reaching the moon.

How Strategic Management Can Influence Creativity

Where strategic and creative thinking meet Rather than a division between creative and strategic thinking, the world's most agile companies understand that the key to successful problem solving , design and innovation is, in fact, a symbiotic interplay between 'strategic creativity' and 'creative strategy'.
