America, seems to me, has a unique ability to remember things differently and selectively. Reading The Making of Asian America was a speechless experience — how have I never heard of these stories before? Truly, the phantasm of Asian American histories attests and perpetuates the non-visibility of Asian Americans.

Amazon.com: Customer reviews: The Making of Asian America ...

Beautifully written and well structured, the making of Asian America tells the epic and sweeping histories of entire generations of Asians as they struggled for acceptance and identity. Lee tells the history like a storyteller and has the facts to back it up. Neat anecdotes are sprinkled in to put events into context.
