Small businesses have a people management “blind spot”, often overlooking how stronger HR practice could support their growth, the CIPD’s head of public policy told MPs yesterday. Speaking to the business, energy and industrial strategy committee, Ben Willmott (pictured) said many small business owners failed to recognise the challenges they faced as people management issues that could be corrected through HR.

Small businesses have people management ‘blind spot’, CIPD ...

The CIPD is calling on the government to introduce better HR support for local businesses after official figures late last week revealed productivity growth remained sluggish in the first quarter of 2018.
