Alone Together Why We Expect

Alone Together's overall theme is that
we need to consciously consider the
effects of new technologies on our lives
and then pick and choose what we want
to adopt, rather than simply accepting
technologies without thinking. Turkle
isn't a Luddite, and this isn't a book
against new technology.

Alone Together: Why We Expect More from Technology and ...

In Alone Together, MIT technology and society professor Sherry Turkle explores the power of our new tools and toys to

dramatically alter our social lives. It's a nuanced exploration of what we are looking for - and sacrificing - in a world of electronic companions and social-networking tools, and an argument that, despite the hand-waving of today's self-described prophets of the future, it will be the next generation who will chart the path between isolation and connectivity.
