England and NHS Improvement Board Meeting in Common - 25 June 2020

Nhs Improving Quality And The

A quality improvement strategy that defines the roles of organisations at different levels in supporting improvements in care is needed for the NHS in England. Politicians and leaders of national bodies must reduce the burden of regulation, inspection and performance management to free up clinicians and organisational leaders to work on improvement.

Improving quality in the English NHS | The King's Fund

Improving quality and safety in healthcare.

Providers that have been rated 'good' for safety by the Care Quality Commission (CQC) show how they are improving quality and safety in their organisations. Reviews of CQC quality inspections show that there is room for improvement in safety across the secondary care sector and the consistency of the CQC's key lines of enquiry means we can compare the performance of providers in specific areas.
