3. The Picture Bible – this is an excellent resource for fostering a child’s interest in the Bible. It is very thorough, covering many, many Bible accounts. It portrays each account in a comic strip form, but unlike the My First Read and Learn Bible, the graphics have a reverent quality and tone, and are not cartoony at all. Our children have devoured this resource (especially those who are more visually oriented); they’ve picked up a surprising amount of Bible knowledge from it!
