General Information. The Vespa Super was successor to the venerable Vespa 125 and 150 VNA/VBB. It had a similar layout, but had updated styling that matched the other contemporaneous largeframe Vespas. While the largeframe Vespas with 10" wheels had evolved over time in their styling and design, the 8" wheeled models had soldiered on through to the mid-60's with only very minor changes from the 50's.
