The Bruce R. McConkie Story

Reflections of a Son Shadow Mountain

David O. McKay and the Rise of Modern Mormonism *University of Utah Press*

Focuses primarily on the years of McKay's presidency of the Church of Jesus Christ of Latter-day Saints during some of the most turbulent times in American and world history.

A New Witness for the Articles of Faith

Doctrines of the Restoration

Sermons & Writings of Bruce R. McConkie *Bookcraft, Incorporated*

Becoming Gods *Harvest House Pub*

Bestselling author and award-winning journalist Richard Abanes takes a comprehensive look at the Mormon doctrines that undergird the teachings and beliefs of today's Latter-day Saints. Building on broad-based discussions of Mormonism's past—and making use of cutting-edge LDS resources and the author's recent interactions with Mormon scholars—this detailed, accurate resource covers such topics as... the Mormon God and Jesus, and the potential godhood of men and women prophetic revelations—today's versus those from the past the standard writings, such as The Book of Mormon Mormons' latest arguments for their faith Bringing clarity out of what is sometimes a confusing faith to non-Mormons, Abanes authoritatively demonstrates why evangelicals cannot and should not accept the ever-changing claims of Mormonism.

Wrestling the Angel

The Foundations of Mormon Thought : Cosmos, God, Humanity

Oxford University Press, USA

"Wrestling the Angel, Vol. I is the first in a two part study of the foundations of Mormon thought and practice, situated in the context of an overview of the Christian tradition. The book traces the essential contours of Mormon thought as it developed from Joseph Smith to the present. Terryl L. Givens, one of the nation's foremost Mormon scholars, offers a sweeping account of the history of Mormon belief, revealing that Mormonism is a tradition still very much in the process of formation."--Provided by the publisher.

Questions run the breadth of the Mormon experience, including doctrinal questions as well as questions about the LDS lifestyle.

The Millennial Messiah

The Second Coming of the Son of Man *Shadow Mountain*

The Promised Messiah

The First Coming of Christ *Shadow Mountain*

Obscure Mormon Doctrine: Uncommon Beliefs of The Church of Jesus Christ of Latter-day Saints (LDS) *R. R. Bowker*

"Amazingly enough, Christ is the Jehovah of the Old Testament and the God of Israel. It was Christ who led the nation of Israel out of Egyptian bondage, and it was he who gave and fulfilled the Law of Moses." This book is different from other

books about the Latter-day Saints (LDS) in at least two ways. First, it focuses on details of LDS doctrine that are relatively unknown, even to church members. Second, because its purpose is to inform, not persuade, it presents these details in a neutral, unflinching, warts-and-all way. The reader can then decide for him- or herself what to believe. As Jensen states in his Introduction, he wrote the book for three audiences. First, he wrote it for himself. Although he grew up in the church and served a church mission, he was often confused about the more cryptic points of LDS doctrine, of which there are many. For example, if someone had asked him to explain in detail the LDS position on angels, or Jews, or Zion, he knew wouldn't have been able to. So he wrote the book to understand - to "get to the bottom of" - the church's more obscure beliefs and follow the implications to their logical conclusion. Second, he wrote it for non-Mormons who are curious about the religion and seek a book that is unbiased and informative while also being light and readable. Third, he wrote it for members of the church who are fuzzy on the details of the topics discussed in the book and would like to understand them better. The church has always placed great stock in education, especially as it relates to God's plans for us. This book will help educate church members on the finer points of their doctrine - on what one actually believes, or should believe, as a Latter-day Saint. Were Adam and Eve married? Is there a hell of fire and brimstone? Does the earth have a spirit? Does Satan have a body? Who are the Lost 10 Tribes? Where did Noah set off from in his ark? Will animals and plants be resurrected? In this book, you'll find unflinching answers (from the LDS perspective) to those important and

interesting questions - and many more.

Answers to Gospel Questions

LDS Beliefs

A Doctrinal Reference *Deseret Book*

The Cleansing of America

A Sequel to The Majesty of God's Law *C&J Investments*

Dr. W. Cleon Skousen spent the majority of his life researching the gospel, the U.S. Constitution, the founding of America and writing numerous books and articles on the topic. He is also one of the most well-known, respected defenders of America and the gospel the world has ever known. At the time of his passing in 2006, his work was not yet finished. His book *The Cleansing of America*, written in 1994 and given into the care and keeping of his sons, is now being brought forth for the first time ever. Included in these pages are the events and stages the Lord has predicted, through his servants, the winding-up scenes of this world. It helps the reader understand: the nature of prophecy, the known chronology of prophetic events, and the importance of staying close to the Lord and his prophets during the difficult and challenging years prior to the Second Coming. We are fast approaching those prophetic events. Some are upon us even now. If we are prepared and obedient, we need not fear these events, but rather embrace them for the blessings they portend.

A Marvelous Work and a Wonder

Church of Jesus Christ of Latter Day Saints

This is a new release of the original 1950 edition.

"This Is My Doctrine"

The Development of Mormon Theology

The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s. This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose. Early Mormons, like their early Christian and even earlier Israelite predecessors, brought with them their own varied culturally conditioned theological presuppositions (a process of convergence) and only later acquired a more distinctive theological outlook (a process of differentiation). In this first-of-its-kind comprehensive treatment of the development of Mormon theology, Charles Harrell traces the history of Latter-day Saint doctrines from the times of the Old Testament to the present. He describes how Mormonism has carried on the tradition of the biblical authors, early Christians, and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures. In the process, he probes three questions: How did Mormon doctrines develop? What are the scriptural underpinnings of these doctrines? And what do critical scholars make of these same scriptures? In this enlightening study, Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology. "This Is My Doctrine" will provide those already versed in Mormonism's theological

tradition with a new and richer perspective of Mormon theology. Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions.

Book of Mormon Student Manual

Religion 121-122 *David Van Leeuwen*

The Nauvoo Endowment Companies, 1845-1846

A Documentary History

"Prior to their departure in early 1846, over 5,000 men and women received their endowments between the temple's preliminary opening on December 10, 1845, and its closing two months later on February 8, 1846"--Page xviii-xix.

Changes in Mormon Doctrine

Comparison of the 1958 and 1966 Editions by Bruce R. McConkie

Life's Lessons Learned

Producing Ancient Scripture

Joseph Smith's Translation Projects in the Development of Mormon Christianity

Joseph Smith, the founding prophet of the Church of Jesus Christ of Latter-day Saints and of the broader Latter-day Saint movement, produced several volumes of scripture between 1829, when he translated the Book of Mormon, and 1844, when he was murdered. The Book of Mormon, published in 1830, is well known. Less read and studied are the subsequent texts that Smith translated after the Book of Mormon, texts that he presented as the writings

of ancient Old World and New World prophets. These works were published and received by early Latter-day Saints as prophetic scripture that included important revelations and commandments from God. This collaborative volume is the first to study Joseph Smith's translation projects in their entirety. In this carefully curated collection, experts contribute cutting-edge research and incisive analysis. The chapters explore Smith's translation projects in focused detail and in broad contexts, as well as in comparison and conversation with one another. Authors approach Smith's sacred texts historically, textually, linguistically, and literarily to offer a multidisciplinary view. Scrupulous examination of the production and content of Smith's translations opens new avenues for understanding the foundations of Mormonism, provides insight on aspects of early American religious culture, and helps conceptualize the production and transmission of sacred texts.

Lengthen Your Stride

The Presidency of Spencer W. Kimball *Deseret Book Company*

The Mortal Messiah

From Bethlehem to Calvary

Book of Mormon Authorship

New Light on Ancient Origins

Since 1830, millions of people have read the Book of Mormon and become convinced that Joseph Smith's account of its ancient origins is correct. Others, however, assume that the book must be a fraud. The Book of Mormon describes peoples, cultures, history, and lands

largely unknown to the 19th-century world. But today we enjoy a relative wealth of information about those times and peoples, providing a background against which the Book of Mormon's claims of ancient origin can be tested. This volume brings together a collection of initial efforts to mount such tests. Although first published in 1982, these nine essays have not been outdated or refuted by subsequent studies. The evidence and conclusions they put forward are just as persuasive today as when they were first published.

Prophets and Apostles of the Last Dispensation *Deseret Book Company*

Doctrines of Salvation

Sermons and Writings

The Crucible of Doubt

Reflections on the Quest for Faith

This insightful book offers a careful, intelligent look at doubt--at some of its common sources, the challenges it presents, and the opportunities it may open up in a person's quest for faith.

The Way to Perfection

Banishing the Cross

The Emergence of a Mormon Taboo

Michael Reed's invaluable study shines new light on Mormons' complex and ambiguous relationship with the cross. Reed's research, the most exhaustive ever undertaken on this subject, should help other Christians understand the historic, cultural and religious context out of which Latter-day Saint attitudes toward the cross emerged--and it should help Latter-day Saints find greater

spiritual meaning in this most poignant and profound of Christian symbols.

The Book of Mormon *Nuvision Publications*

The Book of Mormon is a translation of golden tablets given to Joseph Smith who wrote of their account of a plan for salvation and what men must do to gain peace in this life and eternal redemption in the life to come. Smith received these golden plates from Mormon's son Moroni who was dead but considered glorified and resurrected on September 21, 1823. Smith said he was instructed by God to provide the rendering of these documents into the English language. This New Bible speaks of Jesus' appearance in America after His resurrection. He spoke to the Indians and taught them about salvation and propitiation and their future worshipping God.

My Will Or Thine

An Inspiring True Story about Lds Priesthood Blessings and the Difficult Questions Surrounding Them *Inky's Nest Publishing*

Fans of Jeffrey R. Holland, Sheri Dew, and Dieter F. Uchtdorf will love this book. An inspiring true story of faith, hope, and God's love. As I held my infant son in my arms, I began to ponder some difficult questions regarding LDS priesthood blessings. If his life ever became threatened by illness or accident and I needed to administer a priesthood blessing, how could I possibly know what to say? How could I know whether my feelings were from inspiration or from my own desires? If my duty was to tune into the frequency of the "Still, Small Voice" prompting me, then how could I possibly tune out the fatherly instincts

screaming inside my head? I also began to wonder about other blessings that were not meant for the healing of the sick and afflicted-blessings of comfort and guidance. If I were facing a tough decision, what did it matter if I had someone give me a blessing? If my faith and obedience was the key to receiving God's blessings, wouldn't it be just as beneficial to only fast and pray? In searching for answers to these (and other) questions, I spent a lot of time with my nose in the scriptures, listening to LDS General Conference talks, reading blogs, and devouring good books. It seemed like the majority of what I read on the subject of priesthood blessings was dedicated to miracles-the kind where people were able to "arise and walk" after being near death, etc. Many of them said something like, "The power of priesthood blessings is real. Let me tell you about a miracle I witnessed as a result of a priesthood blessing." I wholeheartedly believe in God showing his divine power by healing people in miraculous ways, but those stories are considered miraculous and special for a reason-they're not how things typically go. It would be easy to have faith in priesthood blessings if everyone were healed instantly every time a blessing was pronounced, but faith is not always that easy. Often times, and definitely so in my case, we learn best by experience. Answers to my questions did not become clear to me until I found myself in one of those dire and scary situations-the kind that terrified me and tried my soul to the highest level. This book is a true story. It purposefully does not contain any "arise and walk" type of miracles, but as you follow the inspiring journey of how I found answers to my own questions, your faith and testimony surrounding priesthood blessings and God's love will

grow.

Lectures on Faith *Zion's Camp Books*

In His Holy Name *Bookcraft, Incorporated*

This special edition of the Lectures on Faith from Zion's Camp Books is formatted for convenience on an eReader, with more than 100 internal links to scriptures and citations. We hope it will give you a great reading experience! The Lectures on Faith were originally prepared as materials for the School of the Prophets in Kirtland, Ohio in 1834 and were included in the Doctrine and Covenants from 1835 to 1921. Although the Lectures on Faith have never been accepted as revelation by the body of the church (and so were removed from the Doctrine and Covenants in 1921), they contain important doctrinal insights that can help anyone seeking to learn more about faith and come closer to Heavenly Father and Jesus Christ. President Joseph Fielding Smith noted, "I suppose that the rising generation knows little about the Lectures on Faith. . . . In my own judgment, these Lectures are of great value and should be studied. . . . I consider them to be of extreme value in the study of the gospel of Jesus Christ." (Joseph Fielding Smith, *Seek Ye Earnestly*. Salt Lake City: Deseret Book, 1970.) Elder Bruce R. McConkie of the Quorum of the Twelve Apostles has stated the lectures contain "some of the best lesson material ever prepared on the Godhead; on the character, perfections, and attributes of God; on
