Vampire Breed is Book 4 of the Kiera Hudson series. So far she's become a cop, fell in love with a Vampyrus, saved a town or something, got talked into babysitting, then tried to save a girl, and then fell in love with an icky character that I do

not like but if I cast him as an X-men then I would, and went hunting for things, had her mom try to give her some blood, and woke up in a cage.
