Social Work Study Guide

Social Work degrees teach transferable skills, such as presentation, research and communication, as well as how to delicately understand the concerns of others, and how to ensure they get the help they need. Particular job roles, aside from social worker, include probation officer, careers adviser, charity worker, counsellor,

volunteer coordinator and youth worker.

Social Work guide - Complete University Guide

When assessing applicants, universities are looking for the right character and personalities when it comes to social work. Courses like health and social care, psychology and sociology will help, but it's unlikely that you'll need to have taken specific subjects to get yourself onto a social work degree. Instead, you need to be able to demonstrate your care and compassion, your dedication, sensitivity and empathy, resilience, and natural social skills.
