Whether you're aiming to increase your perspectives or perform research study, our uncomplicated and complimentary service is right here to support you every action of the method.

Happiness Is an Inside Job

Practicing for a Joyful Life *Ballantine Books*

How can we stay engaged with life day after day? How can we continue to love-to keep our minds in a happy mood-when life is complex, difficult, and, often, disappointing? Bestselling author and beloved teacher Sylvia Boorstein asked herself these questions when she started to write this inspiring new book. The result is her best work to date, offering warm, wise, and helpful ways we can experience happiness even when the odds are against us. As Boorstein has discovered in more than three decades of practice as a professional psychotherapist, the secret to happiness lies in actively cultivating our capacity to connect with kindness: with ourselves; with friends, family, colleagues; with those we may not know well; and even with those we may not like. She draws from the heart of Buddhist teachings to show how Wise Effort, Wise Mindfulness, and Wise Concentration can lead us away from anger, anxiety, and confusion, and into calmness, clarity, and the joy of living in the present. These qualities strengthen our ability to meet encounters of every kind with balance and intelligence, providing us with a grounded sense of true contentment. Happiness Is an Inside Job resonates with the knowledge of a psychotherapist, the compassion of a spiritual teacher, and the wisdom of a grandmother. Boorstein's vivid stories capture our minds and our hearts, and the simple exercises she suggests can be done while you read. This beautiful book is comforting and reminds us that life is a shared journey, that our hearts truly do want to console and love our fellow sojourners, and that living happily is indeed the best way to live.

Happiness Is an Inside Job *Thomas More Press*

I believe that every one of us experiences a stubborn, inborn desire to be happy. Unfortunately, all of us have at times experienced some frustration of this desire. Our dreams of happiness have been disapointed.

Happiness is an Inside Job *Thomas More Association*

Develop the "happiness habit" by practicing ten life tasks outlined by this popular spiritual leader. Pursue happiness by learning to accept yourself as you are, make your life an act of love, stretch out of your comfort zone, and more. A gift of peace, satisfaction and happiness! (Tabor)

Happiness is an Inside Job

Broken But Not Bitter

A book written for fellow females, of all ages, with the reassurance that even in the darkest of situations God is there. Don't allow the negativity of life's many situations cause you to stray from His path. In following both Him and his vision for your life, he will supply for you provision, joy strength, finances, and the peace you will need in and when the storm passes.Making calculated decisions through prayer and not ignoring the truth can save you from heartache and disappointment.It's vital for Husbands and wives to remember they are on the same team and their purpose is to fulfill and serve the other in the spirit of selflessness. When you wear the same uniform there is nothing the two of you can't conqueror together.When God spoke to Arlisia about marrying her husband, she was committed till death do we part. Arlisia desired a thriving marriage, a home filled with love and oneness. As time passed it all began to fade. Was her husband willing to make the necessary changes needed for their marriage to thrive, by put aside the financial and mental abuse? She never thought her marriage would end with him leaving for work and never returning home one Friday. She didn't receive a call or communication of any kind, nor did the conversation with his mother supply her with the answers she so desperately desired. Where was he? Was he dead or alive?The day before Easter a Sherriff's Deputy showed up at the house they shared. Arlisia opened the door and received information no wife wants to hear.God kept Arlisia's heart and mind from becoming depressed and suicidal through this difficult season.The book includes fundamental strategies to get you through pain, disappointment and hard times.You will be left encouraged and confident to move forward from being stuck, including emotionally and mentally.

Happiness The Inside Job

Follow her suggestions and discover how to be committed without being consumed; competitive without being cruel; and how to manage time and emotions to counterbalance stress and frustration. Includes specific meditations designed for workplace issues, "steal meditations that take moments to do and are invisible to office mates, and dozens of exercises, plus helpful Q&As. Includes free downloadable guided meditations.

Solid Ground

Buddhist Wisdom for Difficult Times *Parallax Press*

Solid Ground: Buddhist Wisdom for Difficult Times is a lively and topical book that offers guidance on how to respond to the individual crises that inevitably arise in all of our lives as well as to the political, economic, and social challenges society is currently facing. The issue of difficulty in life is at the very essence of Buddhism. The first noble truth could certainly be translated as "life is full of difficulties." And the remaining noble truths could be seen as Buddhism's analysis of our difficulties and of a path to working with them. Celebrated Buddhist teachers Sylvia Boorstein, Zoketsu Norman Fisher, and Tsoknyi Rinpoche use their diverse wisdom to address the immediate and practical concerns in our lives and to explore the most basic and profound questions of Buddhism: the difficulty of life in general and how we can work with that and ameliorate it. Filled with humor and personal stories, Solid Ground offers specific teachings for concrete situations as well as a way to explore the larger questions of finding equanimity in difficult

times.

Searching for Happiness

How Generosity, Faith, and Other Spiritual Habits Can Lead to a Full Life *Westminster John Knox Press*

The key to happiness is being rich, successful, and beautiful...right? Martin Thielen, best-selling author of What's the Least I Can Believe and Still Be a Christian?, insists that this is far from the truth. Happiness, Thielen argues, does not come from external factors like getting a job promotion or finally reaching your goal weight. Rather, happiness is an inside job. In brief, easy-to-read chapters, Thielen offers ten traits of happy and fulfilled people. Using psychological research, personal anecdotes, and Scripture, Thielen begins the path to contentment by showing how life circumstances—including income, health, physical appearance, and marital status—only account for about 10 percent of a person's overall life satisfaction. From there, he offers alternatives to the frequent methods we use to make ourselves happy. Instead of aiming to make more money, Thielen contends that expressing gratitude and cultivating optimism are surer paths to joy. Rather than focusing on constant advancement in our careers, let's practice our ability to forgive, to be generous, and to use trials as growth opportunities. These lessons, and much more, help readers who may be dissatisfied in their lives see that authentic contentment is closer than they ever imagined. The book features a guide for group or individual study, which includes questions for reflection and a challenge for each individual to reflect on during the week.

Don't Just Do Something, Sit There

A Mindfulness Retreat with Sylvia Boorstein *Harper Collins*

Get away from doing and into being with this lively, down-to-earth guide to your own meditation retreat by beloved mindfulness meditation teacher Sylvia Boorstein. Presenting what Jon Kabat-Zinn has called "endearingly personal mindfulness wisdom," she offers a three-day retreat plan accompanied by timeless lessons -- always grounded in real life -- on how anyone can achieve calm, clarity and joy through meditation practices.

Why Am I Afraid to Love? *Zondervan*

Tradition has it that God's second commandment is that we should love one another. Why is it so hard? The capacity to love is in everyone. Yet so often it remains trapped and waiting to be released. In John Powell's best-selling Why Am I Afraid to Love, he carefully and sensitively confronts the barriers that restrain. He looks at the fear of rejection, the motives for love, how to truly understand the inner self and what true love looks like. He then considers the true test of love: can self be forgotten in loving others? Based on the original best-selling edition, this new book has been completely re-designed. A fitting companion to Why Am I Afraid to Tell You Who I Am?, it is one of the most original and popular self help books on the market. It sits comfortably alongside other classics like I'm OK, You're OK. Why Am I Afraid to Love has sold over 100,000 copies in its original edition.

The 21 Day Happiness Challenge

Learn How to Love Your Life and Become a Happier Person in Just 21 Days *Kemah Publishing*

Are you tired of that lurking sense of depression? Tired of waiting around for happiness to find you? Are you ready to learn how to love your life? Ready to take action to become a happier person? True happiness is an inside job. Look at a happy person's life, and you don't see any magic or unicorns. There's nothing in them that isn't also in you. Though external realities can certainly play a role, happiness doesn't spring from what you have, what happens to you, the situation you are in, where you are, or anything else. In fact if it were easy to be happy, this book would be a very short one! Happiness doesn't have much to do with money, achievement, or possessions because plenty of people have all three and are still not happy. In this guide we'll approach happiness not as something you have but as something you actively do each and every day. The 21-Day Happiness Challenge will help you: Understand and apply the key principles of living a happy life in an easy, step-by-step way Love and accept yourself just the way you are now Let go of things, thoughts, behaviors, and people that do not serve you anymore Realize that "huffy fluffy" concepts such as forgiveness, gratitude, and mindfulness are actually extremely powerful Develop a daily routine that significantly boosts your happiness And much more! Learn how to love your life and become a happier person today. Are you ready to take the challenge?

Creating a Life of Integrity

In Conversation with Joseph Goldstein *Simon and Schuster*

Conversations with Joseph Goldstein, one of today's most renowned meditation teachers who taught ABC news anchor Dan Harris (author of 10% Happier) to meditate, on the topic of integrity. Creating a Life of Integrity is our personal trainer for strengthening our integrity muscles. When we don't speak or act from our own sense of integrity, we feel lousy. Find out how you can live with more integrity—and subsequently more joy—as you follow these lively conversations between Joseph Goldstein, a founder of the modern mindfulness movement, and Gail Stark, a businesswoman and his student and friend of twenty-five years. As Joseph and Gail unpack the components of integrity—generosity, virtue, renunciation, wisdom, courage, patience, truthfulness, resoluteness, loving-kindness, and equanimity—we discover each is a step on a path that transports us to an empowered place of clarity, commitment, and, consequently, more joy. As we strengthen and weave these qualities into our daily lives they become our trusted first response in a world that needs our integrity now. “A lovely, practical, intimate, and wise book. Read and you can enjoy an intimate conversation with a great teacher, and learn how to lovingly refine the study your own mind.”—Jack Kornfield, author of A Path with Heart

Happiness Is an Inside Job *Trafford Publishing*
Autobiography in poetry

Broadcasting Happinesss

The Science of Igniting and Sustaining Positive Change *BenBella Books*
Broadcasting Happiness will "inspire you and change your life." —Parade Magazine We are all broadcasters. As managers, colleagues, parents and friends, we are constantly transmitting information to the people around us, and the messages we choose to broadcast create success or hold us back. What's your broadcast? New research from the fields of positive psychology and neuroscience shows that small shifts in the way we communicate can create big ripple effects on business and educational outcomes, including 31 percent higher productivity, 25 percent better performance ratings, 37 percent higher sales, and 23 percent lower levels of stress. In Broadcasting Happiness, Michelle Gielan, former national CBS News anchor turned positive psychology researcher, shows you how changing your broadcast changes your power by sharing jaw-dropping stories and incredible research. Learn Michelle's simple research-based communication habits that have been featured in her PBS program Inspire Happiness and Oprah's 21 Days to Happiness class. Broadcasting Happiness will help you: - Inoculate your brain against stress and negativity by fact-checking the challenges - Drive success by leading a conversation or communication with positivity - Rewrite debilitating thought patterns and turn them into fuel for resilience and growth - Deal with negative people in a way that lessens their power - Share bad news more effectively to increase future social capital - Create and sustain a positive culture at work or home by creating contagious optimism - Help the people you care about most move from negative to positive in seconds Broadcasting Happiness showcases how real individuals and organizations have used these techniques to achieve results that include increasing revenues by hundreds of millions of dollars, raising a school district's graduation rate by 45 percent, and shifting family gatherings from toxic to thriving. Changing your broadcast can change your life, your success, and the lives of others around you. Broadcasting Happiness will show you how!

Live Your Happy

Get Out of Your Own Way and Find the Love Within *New World Library*
Banish Fear, Encounter Love! Inspired, lively, and fun, Maria Felipe’s real-world approach to living based on A Course in Miracles will guide you toward a life released from fear and doubt and filled with joy and power. In nine crystal-clear chapters, Maria shows you how to banish the “cuckoo voice of the ego” and connect with your internal teacher, accessing unlimited love and strength. Her stories, shared from her own life and from her students’ experiences, demonstrate that with a willing attitude and an open heart, true happiness isn’t just possible — it’s inevitable!

Happiness from the Inside Out

The Art and Science of Fulfillment *New World Library*
Discover 8 Ways to Be Happier, Starting Right Now Many think that happiness, like success, comes from getting what they want. But new evidence from positive psychology suggests that happiness is something else, or at least something more. Presenting surprisingly practical wisdom in a playful and entertaining format, Rob Mack delivers a simple-to-follow instruction manual, based in both science and personal experience, for living a happier, healthier, and wealthier life, starting today. Mack describes eight tried-and-true principles for realizing unconditional happiness and achieving the unparalleled success that comes with it. With a little effort, anyone — regardless of current circumstances — can discover new levels of joy and contentment on the inside and live a wonderfully prosperous and abundant life on the outside.

Hardwiring Happiness

The New Brain Science of Contentment, Calm, and Confidence *Harmony*
Why is it easier to ruminate over hurt feelings than it is to bask in the warmth of being appreciated? Because your brain evolved to learn quickly from bad experiences but slowly from the good ones. You can change this. Hardwiring Happiness lays out a simple method that uses the hidden power of everyday experiences to build new neural structures full of happiness, love, confidence, and peace. Dr. Hanson's four steps build strengths into your brain— balancing its ancient negativity bias—making contentment and a powerful sense of resilience the new normal. In mere minutes each day, we can transform our brains into refuges and power centers of calm and happiness.

Happy Right Now *Sounds True*
An illustrated picture book that teaches the best way to be happy is to embrace the circumstances we find ourselves in each day Happy Right Now brings a much-needed message to kids: it’s great to feel happy, but it’s okay to feel sad sometimes too. Dealing with emotions can be hard. Children experience the same range of strong feelings as adults, but often don’t have the tools to deal with them. For children ages 4 to 8, Happy Right Now teaches emotional intelligence with fun, relatable imagery and clever rhymes. Award-winning author Julie Berry brings a playful bounce to the important lesson that kids don’t need to wait for fantastic gifts, school vacations, or sunny days to find joy in the moment. And even if they can’t find a way to choose happiness—if the blues are just too strong—Berry provides a series of quick practices to help young readers move through their sadness. Smartly illustrated by Holly Hatam, Happy Right Now is perfect for children, parents, and caregivers who want to learn how to navigate difficult emotions and embrace the bright side of any situation, rain or shine.

The Happiness Advantage

How a Positive Brain Fuels Success in Work and Life *Currency*
INTERNATIONAL BESTSELLER • The happy secret to greater success and fulfillment in work and life—a must-read for everyone trying to flourish in a world of increasing stress and negativity “Thoughtfully lays out the steps to increasing workplace positivity.” —Forbes In the book that inspired one of the most popular TED Talks of all time, New York Times bestselling author Shawn Achor reveals how rewiring our brain for happiness helps us achieve more in our careers and our relationships and as students, leaders, and parents. Conventional wisdom holds that once we succeed, we'll be happy; that once we get that great job, win that next promotion, lose those five pounds, happiness will follow. But the science reveals this formula to be backward: Happiness fuels success, not the other way around. Research shows that happy employees are more productive, more creative, and better problem solvers than their unhappy peers. And positive people are significantly healthier and less stressed and enjoy deeper social interaction than the less positive people around them. Drawing on his original research—including one of the largest studies of happiness ever conducted—and work in boardrooms and classrooms across forty-two countries, Achor shows us how to rewire our brains for positivity and optimism to reap the happiness advantage in our lives, our careers, and even our health. His strategies include: • The Tetris Effect: how to retrain our brains to spot patterns of possibility so we can see and seize opportunities all around us • Social Investment: how to earn the dividends of a strong social support network • The Ripple Effect: how to spread positive change within our teams, companies, and families By turns fascinating, hopeful, and timely, The Happiness Advantage reveals how small shifts in our mind-set and habits can produce big gains at work, at home, and elsewhere.

Practical Happiness

Four Principles to Improve Your Life *Simon and Schuster*
Learn how to think differently about your happiness with a philosophy for creating a realistic yet joyful life. People think happiness is a singular feeling, but it isn't. The real way to feel happier is to expand your definition of happiness and manage your Happiness Zappers. Pamela Gail Johnson, founder of the Society of Happy People, identified the four practical happiness principles that have helped thousands of people shift their mindsets so they naturally notice more happiness, whether it feels sparse, abundant, or somewhere in between. Pamela shares real stories from real people who put the four practical happiness principles into action. With thought-provoking workbook-style questions, you can immediately apply these principles to your life. You'll discover: • How happiness is unique to you and your circumstances • How to manage common experiences that zap your happiness • How happiness changes • Thirty-One Types of Happiness

The Inside Job *Penguin UK*
Secret Service Agent Mike Byrne is too late ... Too late to save the one man who knew the truth - the star witness who was about to blow the whistle on the biggest banking scandal in history. Too late to stop an innocent man from dying, and so plunging the world of high finance into a death spiral of violence and murder. Because payback for bankers who gambled with other people's money is being handed out in bullets and bombs. And now the only person who can keep the bankers alive is Agent Byrne, who finds himself having to protect the very people he swore to take down. Before long Byrne is locked into a deadly fight with an unseen enemy - an enemy that will stop at nothing to get what they want.

The Last Best Cure

My Quest to Awaken the Healing Parts of My Brain and Get Back My Body, My Joy, a nd My Life *Penguin*
One day Donna Jackson Nakazawa found herself lying on the floor to recover from climbing the stairs. That’s when it hit her. She was managing the symptoms of the autoimmune disorders that had plagued her for a decade, but she had lost her joy. As a science journalist, she was curious to know what mind-body strategies might help her. As a wife and mother she was determined to get her life back. Over the course of one year, Nakazawa researches and tests a variety of therapies including meditation, yoga, and acupuncture to find out what works. But the discovery of a little-known branch of research into Adverse Childhood Experiences causes her to have an epiphany about her illness that not only stuns her—it turns her life around. Perfect for readers of Gretchen Rubin's The Happiness Project, Nakazawa shares her unexpected discoveries, amazing improvements, and shows readers how they too can find their own last best cure.

You Can Choose to be Happy

"Rise Above" Anxiety, Anger, and Depression (with Research Evidence) *You Can Choose To Be Happy*
Dr. Stevens' research identifies specific learnable beliefs and skills--not general, inherited traits--that cause people to be happy and successful.

Healthy Me, Happy We

Transforming Relationships with Yourself and Others *Azul International Group LLC*
We hear that relationships are hard, but are they supposed to be THIS hard? Does every day feel stressful and it's only getting worse? Do you expect that relationships require you to sacrifice your happiness? Do you try to improve things, but nothing you do seems to help? Whether challenges appear in your relationships with a romantic partner, family members, friends, or coworkers, you have the power to change them from difficult to thriving-from unhealthy to healthy. At the core, you'll have to examine, heal, and transform the relationship with yourself. Ted Smith shares his

personal experience navigating unhealthy relationships with a romantic partner and with himself-plus the healing and transformation that followed-to help readers make positive changes to the relationships in their own lives. In this book, you will learn how to: Recognize and understand characteristics of unhealthy relationships with others Identify areas of opportunity in the relationship with yourself Navigate the healing journey Transform relationships with yourself and others to be happier and healthier Being happy with your relationships, and with yourself, is possible. Allow Ted to help you understand how to create this for yourself.

Wishes Fulfilled

Mastering the Art of Manifesting *Hay House, Inc*

This book is dedicated to your mastery of the art of realizing all your desires. The greatest gift you have been given is the gift of your imagination. Everything that now exists was once imagined. And everything that will ever exist must first be imagined. Wishes Fulfilled is designed to take you on a voyage of discovery, wherein you can begin to tap into the amazing manifesting powers that you possess within you and create a life in which all that you imagine for yourself becomes a present fact. Dr. Wayne W. Dyer explores, for the first time, the region of your highest self; and definitively shows you how you can truly change your concept of yourself, embark upon a God-realized way of living, and fulfill the spiritual truth that with God all things are possible—and "all things" means that nothing is left out. By practicing the specific technique for retraining your subconscious mind, you are encouraged to not only place into your imagination what you would like to manifest for yourself, but you are given the specifics for realigning your life so you can live out your highest calling and stay connected to your Source of being. From the lofty perspective of your highest self, you will learn how to train your imagination in a new way. Your wishes—all of them—can indeed be fulfilled. By using your imagination and practicing the art of assuming the feeling of your wishes being fulfilled, and steadfastly refusing to allow any evidence of the outer world to distract you from your intentions, you will discover that you, by virtue of your spiritual awareness, possess the ability to become the person you were destined to be. This book will help you See—with a capital S—that you are Divine, and that you already possess an inner, invisible higher self that can and will guide you toward a mastery of the art of manifestation. You can attain this mastery through deliberate conscious control of your imagination!

The Happiness Project

Or, Why I Spent a Year Trying to Sing in the Morning, Clean My Closets, Fight Right, Read Aristotle, and Generally Have More Fun *Harper Collins*

What if you could change your life--without changing your life? Gretchen had a good marriage, two healthy daughters, and work she loved--but one day, stuck on a city bus, she realized that time was flashing by, and she wasn’t thinking enough about the things that really mattered. “I should have a happiness project,” she decided. She spent the next year test-driving the wisdom of the ages, current scientific studies, and lessons from popular culture about how to be happier. Each month, she pursued a different set of resolutions: go to sleep earlier, quit nagging, forget about results, or take time to be silly. Bit by bit, she began to appreciate and amplify the happiness that already existed in her life. Written with humour and insight, Gretchen’s story will inspire you to start your own happiness project. Now in a beautiful, expanded edition, Gretchen offers a wealth of new material including happiness paradoxes and practical tips on many daily matters: being a more light-hearted parent, sticking to a fitness routine, getting your sweetheart to do chores without nagging, coping when you forget someone’s name and more.

Happy Ever After

Escaping The Myth of The Perfect Life *Penguin UK*

Be ambitious; find everlasting love; look after your health ... There are countless stories about how we ought to live our lives. These narratives can make our lives easier, and they might sometimes make us happier too. But they can also trap us and those around us. In Happy Ever After, bestselling happiness expert Professor Paul Dolan draws on a wealth of evidence to bust the common myths about our sources of happiness and shows that there can be many unexpected paths to lasting happiness. Some of these might involve not going into higher education, choosing not to marry, rewarding acts rooted in self-interest and caring a little less about living forever. By freeing ourselves from the myth of the perfect life, we might each find a life worth living.

Your Flight to Happiness

A 7-Step Journey to Emotional Freedom

Your Flight to Happiness is a self-help book with a flying theme, taking the reader on a journey which will enable them to release negative thinking and limiting beliefs, and create emotional freedom and happiness from within. Chapter one tells of how the author found herself at an all time low point in her life, her 'plane crash'. She then guides the reader through the seven steps she used to rebuild her life and learn how to fly again. So many people believe they will be happy at some time in the future - when they get a new job, meet a new partner, go on holiday, buy a new outfit, lose weight... The truth is, happiness does not come from outside experiences or other people, happiness ultimately is an inside job! Throughout this

colour-illustrated book she also shares some of her relevant early childhood experiences, illustrating how our subconscious minds become programmed during the first few years of our lives with downloaded information. This information leads to our beliefs about ourselves, other people, and the world we live in, and we continue to act upon them, often holding ouselves back, believing that we're not good enough, feeling anxious about the future, fearing that we'll fail... The exercises and information within the chapters provide the reader with various tools and techniques to change the way they feel by changing the way they think, and ultimately reach their destination of Happiness.

The Habits of Exceptionally Happy People - A Powerful Approach to Happiness *Kemah Publishing*

True happiness is an "inside job". Look at a happy person's life and you don't see any magic or unicorns. There's nothing in them that isn't also in you. Though external realities can certainly play a role, happiness doesn't spring from what you have, what happens to you, the situation you are in, where you are, or anything else. In fact, if it was easy to be happy, this book would be a very short one! Happiness doesn't have much to do with money, with achievement, or with possessions, because plenty of people have all three and are still not happy. In this guide, we'll approach happiness not as something you have, but something you actively do, each and every day. The Habits of Exceptionally Happy People will help you to: - Understand and apply the key principles of living a happy life in an easy step-by-step way - Let go of things, thoughts, behaviors, and people that do not serve you anymore - Identify and use your unique strengths and virtues - Realize that "huffy fluffy" concepts such as forgiveness, gratitude, and mindfulness are actually extremely powerful - ...and much more inside! Learn how to love your life and become a happier person today! Are you ready?

Connection

How to Find the Life You're Looking for in the Life You Have *Sounds True*

Discover the Key to Lasting Happiness by Cultivating Authentic Connection in Everyday Life. We are in the midst of an epidemic of loneliness. Though modern technology purports to “connect” us like never before, we live increasingly isolated and insulated lives, painfully disconnected from each other, from our values, and from ourselves. Indeed, almost 70 percent of Americans report they don’t have a single person they can confide in. Rooted in established scientific findings, as well as her own research and clinical experience, Harvard-trained psychologist and connection researcher Dr. Kristine Klussman’s approach to well-being is simple and transformative. Klussman shows us that the way to achieve true happiness and fulfillment is not by striving toward them at all, but rather by cultivating connection in our everyday lives. As Klussman says, “Happiness is what we are all chasing, but connection, meaning, and a sense of purpose are the cravings that actually fulfill us and lead to enduring life satisfaction.” Connection brings readers an eye-opening and actionable guide that teaches how to nurture your own self-knowledge and integrity—and how to use that knowledge to shape a life rich with meaning and purpose. With Connection, you will discover how to connect with yourself and the world around you in deeper and more significant ways. Through experiential exercises and guided reflection, Klussman teaches readers how to live their best lives in alignment with their values, hopes, and dreams. “The beauty of connection theory is that you really only have to remember one thing in order to increase your ability to effect meaningful change across multiple dimensions of your life,” writes Klussman. “Make achieving authentic connection your goal.” Connection will help you orient your life around your soul’s deepest and most authentic truths. Join Dr. Kristine Klussman to discover the tranquility, comfort, and gratitude that arise when we are fully and consciously connected.

America the Anxious

How to Calm Down, Stop Worrying, and Find Happiness *St. Martin's Press*

NAMED ONE OF THE 40 BEST BOOKS OF 2016 BY THE NEW YORK POST A New York Times Editor's Choice pick “Ruth Whippman is my new favorite cultural critic...a shrewd, hilarious analysis.” —Adam Grant, New York Times bestselling author of Give and Take, Originals, and Option B (coauthored with Sheryl Sandberg) "I don't think I've enjoyed cultural observations this much since David Foster Wallace's A Supposedly Fun Thing I'll Never Do Again. Reading this book is like touring America with a scary-smart friend who can't stop elbowing you in the ribs and saying, "Are you seeing what I'm seeing?!" If you want to understand why our culture incites pure dread and alienation in so many of us (often without always recognizing it), read this book." —Heather Havrilesky, writer behind "Ask Polly" for New York Magazine and nationally bestselling author of How to Be a Person in the World Are you happy? Right now? Happy enough? As happy as everyone else? Could you be happier if you tried harder? After she packed up her British worldview (that most things were basically rubbish) and moved to America, journalist and documentary filmmaker Ruth Whippman found herself increasingly perplexed by the American obsession with one topic above all others: happiness. The subject came up everywhere: at the playground swings, at the meat counter in the supermarket, and even—legs in stirrups—at the gynecologist. The omnipresence of these happiness conversations (trading tips, humble-bragging successes, offering unsolicited advice) wouldn’t let her go, and so Ruth did some digging. What she found was a paradox: despite the fact that Americans spend more time and money in search of happiness than any other nation on earth, research shows that the United States is one of the least contented, most anxious countries in the developed world. Stoked by a multi-billion dollar “happiness industrial complex” intent on selling the promise of bliss, America appeared to be driving itself crazy in pursuit of contentment. So Ruth set out to get to the bottom of this contradiction, embarking on an uproarious pilgrimage to investigate how this national obsession infiltrates all areas of life, from religion to parenting, the workplace to academia. She attends a controversial self-help course that promises total transformation, where she learns all her problems are all her own fault; visits a “happiness city” in the Nevada desert and explores why it has one of the highest suicide rates in America; delves into the darker truths behind the influential academic “positive psychology movement”; and ventures to Utah to spend time with the Mormons, officially America’s happiest people. What she finds, ultimately, and presents in America the Anxious, is a rigorously researched yet universal answer, and one that comes absolutely free of charge.

Pay Attention, for Goodness' Sake

Practicing the Perfections of the Heart--The Buddhist Path of Kindness *Ballantine Books*

According to the Buddha, the path of kindness is the path of happiness. Now Sylvia Boorstein, nationally bestselling author of It’s Easier Than You Think, has taken the 2500-year-old practice of developing the qualities of a compassionate heart—the core of the Buddha’s own practice—and made it accessible to all. Pay Attention for Goodness’ Sake is the first book ever to guide Western readers on the path of the Buddha’s Ten Paramitas, the Perfections of the Heart. Boorstein combines traditional Buddhist teachings and parables with stories from her own life, as well as easy-to-follow meditations, to show how the practice of Mindfulness—paying attention in everyday life—can lead to these perfections that all of us strive for, including Generosity, Morality, Wisdom, Energy, Patience, Determination, and Equanimity. When we take on this practice, Boorstein notes, “our vision becomes transformed. We see, with increasing clarity, the confusion in our own minds and the suffering in our own hearts. . . . And we also see the extraordinariness of life, how amazing it is that life exists.” Boorstein’s lively and practical lessons about everyday generosity, morality, making and mending mistakes, the bliss of blamelessness, and other human concerns and frailties, help to clarify our distractions and connect us with our own goodness, “the part of ourselves that wishes it had done differently.” For Buddhist and non-Buddhist alike, Pay Attention for Goodness’ Sake is a cheerful, inspiring book that offers the possibility of a transformed life.

Happy Together

Creating a Lifetime of Connection, Commitment, and Intimacy *SCB Distributors*

No matter how much passion there is at the beginning of a relationship, for love to last it must be actively created. Dr. Bill Cloke, an innovative and successful couples’ therapist, has been helping couples create lasting connection, commitment, and intimacy by learning the essential relationship skills he now reveals in Happy Together. With sensitivity and practicality, Happy Together pinpoints the issues and actions that can make or break our relationships. Step by step, it will show you: • How to identify and overcome personal barriers to meaningful and satisfying connections • The defensive ways we unknowingly kill love and how to learn from conflict to create deeper intimacy • The role of passion and sexuality in our relationships • How to understand & deal with issues of shame and rage that can impact our ability to love • Why deeply held myths about family, marriage, and idealized romance can create expectations that damage our connection with each other • How to become partners in problem-solving

• How to effectively use the tools of compassionate communication and “constructive complaining.” Rich with practical tips and techniques, including sample dialogues to help you make meaningful changes, Happy Together will guide you in perfecting the skills you need to create a positive vision for your relationship and a road map for happiness.

How to Be Perfectly Unhappy *Andrews McMeel Publishing*

In How To Be Perfectly Unhappy, Inman explores the surprising benefits of forgetting about “happiness,” and embracing instead the meaningful activities that keep us busy and interested and fascinated.

Happiness is an Inside Job

Creating a Life of Peace and Joy *Independently Published*

The purpose of this book is to help the people in the world struggling to be happy. It is here to help people that have a feeling within them that says, "This formula for happiness I am living isn't working"; The person tired of living a life that society said will make them happy, a life where we are searching outside of ourselves for happiness. It is for a person who declared yesterday to be the last day of this formula that isn't working. This book is for every person who wants to define their own life of happiness, a life where happiness is 100 percent under your control; a life where we don't have to wait for success and material gain to be happy but instead are happy because we understand it attracts success and material gain. In this book you will learn the tools to implement this. Learn tools to assist us physically, mentally and emotionally to be happy. Much success with the teachings in this book and I know they will help you in this quest as they have helped me in mine.

10 Steps to Finding Your Happy Place (and Staying There)

If someone asked us if we want to be happy, most of us would say yes. But we are lousy predictors of what will actually make us happy. Many of us hold our happiness hostage to some future circumstances: "I'll be happy when I get a job, when I lose weight, when my kids shape up, when I meet the right person..." But happiness is, as they say, an inside job. Happiness is not a destination, not something to be pursued. It is the way we live. Happiness is a choice we make every moment, and each moment is a new opportunity to choose. If we choose repeatedly to be happy, it becomes a habit, our default position. 10 Steps to Finding Your Happy Place (and Staying There) demonstrates how to create these joyful habits, and in truth, each of these steps will bring us back to where we started: ourselves.
