Aesthetics And Morality Bloomsbury Aesthetics

About Aesthetics and Morality. Aesthetic and moral value are

often seen to go hand in hand. They do so not only practically, such as in our everyday assessments of artworks that raise moral questions, but also theoretically, such as in Kant's theory that beauty is the symbol of morality. Some philosophers have argued that it is in the relation between aesthetic and moral value that the key to an adequate understanding of either notion lies.

Political Aesthetics - Bloomsbury - Bloomsbury Publishing

The aesthetic is explored through the lens of German Idealism from Kant to Hegel, ultimately placing ethics and morality at the forefront of this debate. The authors explore Hegel's take on Kant's conception by historicizing what it means to be responsible to others, which for Hegel means being free within the norms of society, within what he calls ethical life.
