Travels with Epicurus Summary Travels with Epicurus: Meditations from a Greek Island on the Pleasures of Old Age by Daniel Klein

Our society worships at the fountain of youth. Each year, we try to delay the arrival of old age, using everything at our disposal, from extreme exercise and botox to pilates and cosmetic dentistry.

Travels with Epicurus By Daniel Klein | Used ...

Travels with Epicurus is a wonderful read, written by a good humoured intellectual with a common touch and without condescension. The book is no travelogue, no road trip, rather the travels are those through the history of philosophers taking a lead from the Greek Epicurus in ruminating on the joys, or otherwise, of achieving old age, and those of traversing through stages of life and

accumulative
experience.
