The Motorola T5200 is
 a great radio for
 camping, walking in
 the woods, and for
 other uses. The one
 thing I like about this
 radio is that it has a lot
 of features in it and it

is palm sized. But the thing is that it only goes up to two (2) miles and after you are out of range you can't hear the other person. The other issue is you have to be buying batteries for it. What I would recommend is if they can make it with rechargeable batteries.
