Cake decorating originated in 17th century in Europe. During the 1840s, the advent of temperature-controlled ovens and the production of baking powder made baking cakes much easier. As temperature control technology improved, an increased emphasis on presentation and ornamentation developed. Cakes began to take on decorative shapes, were adorned with additional icing formed into patterns and ...

I've always had mixed feelings about cake decorating. I'm not generally a fan of novelty cakes (you either love 'em or hate 'em). However, before my recent marriage I took a renewed interest in the art, thinking I might rustle up my own wedding cake (I didn't).. Post-wedding, the interest continued and last week I did the 6-day Professional Intensive Cake Decorating Course at Squires ...
