One Man's Story on How Drug Addiction Destroyed His Son's Life Drug addiction is an illness that most parents fear their children will be affected by. While many parents do everything in their power to dissuade their kids from experimenting with drugs and alcohol, for some it is inevitable that their teenage son

or daughter will try it anyway.

One Man's Story on How Drug Addiction Destroyed His Son's Life

On July 23, 1991, Milwaukee chemist Lionel Dahmer discovered - along with the rest of the world - that his son Jeffrey was a murderer who, over a period of many years, had carried out some of the most ghastly crimes ever committed. As the trial progressed, and the crimes of his son were graphically detailed, Lionel began to place himself in the dock beside his son.
