Pharaoh is the seventh
novel in my Jack
Howard series, a
modern-day thriller set
partly during the
British expedition in
1884-5 to relieve

General Gordon in Khartoum. The story has all the ingredients that I'm most passionate about – diving adventure and underwater discovery, ancient mysteries rooted in real archaeology, and high drama in the 19th century, involving real historical characters who were driven as much by their quest for archaeological discovery as by imperial adventure.
