The Golfing Machine

The Golfing Machine is the premier advanced learning system for professional golf instructors worldwide. Based on Homer Kelley's classic textbook, "The Golfing Machine", this instruction system has been improving golf strokes since 1969. Our instruction relies on science — simple geometry and everyday physics — to enhance golf instructors' observation skills and allow them to better ...

The Golfing Machine | Golf Instruction System, Homer ...

Before getting into the contents of the book, I would like to mention that The Golfing Machine (TGM for short) is a systematic way of understanding the golf swing. Homer Kelley was a smart man, and his work illustrates this. In the text, he specifically mentions that he aims not to repeat information, and therefore cross-references abundantly throughout the book. Below is just a sample page ...

Homer's book "THE GOLFING MACHINE" is subtitled "The Computer Age Approach to Golfing Perfection." It is a very detailed, precise and scientifically accurate golf textbook, a veritable encyclopedia of the golf swing, written in engineering language with complex ideas and explanations involving physics, geometry and math. Very few average golfers want all that complex information. They just ...

TGM 101 - The GOLFING MACHINE

The Golfing Machine doesn't prescribe one particular style of swing to be the best. Instead, it's a catalogue of sorts. The swing is divided into twenty-four different components. Each component can be performed in multiple different ways. The most obvious component variations are listed, allowing you to pick and choose which to employ. It's up to you to choose which variations are most ...

The Golfing Machine "Essentials"

Homer Kelley, the author of the Golfing Machine back in 1969 was an inspired engineer who made it his life's goal to completely understand the golf swing which he wrote about in his book in great detail, but he summed it up best in one sentence when he said: "The secret of golf is sustaining the Line of Compression". And he was 100% correct! Sadly, the way he chose to convey this ...
