At VTT, our foresight and business development specialists work together with our in-house technology experts from numerous fields. We have a networked staff of over 2 000, creating multidisciplinary project teams of foresight and technology talents tailored to each project's needs.

Business, innovation & foresight | Research expertise | VTT
VTT's foresight experts recognise companies' potential for growth in the long term and identify the most important signals which the customer should also focus on. These signals only rarely emerge from within the company's own sector, which is why a comprehensive and cross-sectoral understanding of change is important.
