Roeder Implement,

New Holland has or had a set of plans for the different balewagons. My barn with the 1002 & 1010 put 4 stacks wide with a 36 ft clear span. With the 1003 the barn holds three stacks wide, but also holds 400 bales more than the barn full with the 1002 did. Edited by hay wilson in TX, 31 January 2012 - 06:40 PM.
