Ego Is the Enemy Penguin

The instant Wall Street Journal, USA Today, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. Ego Is the Enemy draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest

levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, “you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you’ve set out to achieve.”

Ego Is the Enemy *Penguin*

The instant Wall Street Journal, USA Today, and international bestseller “While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I’ve found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition.” —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. Ego is the Enemy

The Fight to Master Our Greatest Opponent *Profile Books*

A powerful meditation on the nature and dangers of ego, from the author of the #1 New York Times bestseller *Stillness is the Key*, and *Obstacle is the Way* - over 1 million copies sold 'Re-read it each year. It's that important' Derek Sivers, author of *Anything You Want* 'Ryan Holiday is one of his generation's finest thinkers' Steven Pressfield, author of *The War of Art* 'This is a book I want every athlete, aspiring leader, entrepreneur, thinker and doer to read' George Raveling, Nike's Director of International Basketball 'Inspiring yet practical' Robert Greene, author of *The 48 Laws of Power* It's wrecked the careers of promising young geniuses. It's evaporated great fortunes and run companies into the ground. It's made adversity unbearable and turned struggle into shame. Every great philosopher has warned against it, in our most lasting stories and countless works of art, in all culture and all ages. Its name? Ego, and it is the enemy - of ambition, of success and of resilience. In *Ego is the Enemy*, Ryan Holiday shows us how and why ego is such a powerful internal opponent to be guarded against at all stages of our careers and lives, and that we can only create our best work when we identify, acknowledge and disarm its dangers. Drawing on an array of inspiring characters and narratives from literature, philosophy and history, the book explores the nature and dangers of ego to illustrate how you can be humble in your aspirations, gracious in your success and resilient in your failures. The result is an inspiring and timely reminder that humility and confidence are our greatest friends when confronting the challenges of a culture that tends to fan the

flames of ego, a book full of themes and life lessons that will resonate, uplift and inspire.

The Ego is Your Enemy

Control Your Compulsive Ego, Change Your Life and the People Around You. *Independently Published*

Did you know that a compulsive entity might be running your life and your decisions? Discover how to take your life back. How many times have you tried to take control of your behavior and the way you interact with others and with yourself, it doesn't matter how good you can be doing, you always go back to your old ways. You always thought that as you get older, you'll be able to take control of your behavior and the way others think about you affect you. The ego is a complex part of your life, is the main reason humanity had to come up with multiple religions and medical solutions. How can you control something that you can't see or understand? Is the ego bad or good? Does it want to hurt me or help me? Before you can start changing your behavior you need to start understanding the complexity of the ego. It sounds more complex than it is but once you know what the ego really wants and how you can work around it you can see the results in as little as 12 days. Controlling your emotions and having control of all your decisions shouldn't be a mystery but your birth right. This is only a select sample of the amazing inside you'll discover in *The Ego Is Your Enemy: How the is being tricking you for most of your life without you even realizing it. The essential techniques on how to spot the ego in all aspects of your life. The main thing the ego hates the most (this can change your life) The 8 habits that will guarantee total control of your life (and how to apply it) How helping others is one of the best kept secrets ever. The 4 pillars to keep the ego in balance. The horrible habits of people who mistakes the ego with something is not. A powerful inside that will help you discover your true self giving you back the freedom you have been looking for all your life. You don't have to keep living your life in fear, pain and anger while not knowing how to control those emotions, is time to live a life of authentic peace and freedom. Do you want to stay the same way and live your life full of negative emotions, if the answer is yes then this book is not for you. If you want to control your compulsive self and change your life as well of the people around you, scroll up and click the "Add to Cart" button right now.*

The Obstacle Is the Way

The Timeless Art of Turning Trials into Triumph *Penguin*

#1 Wall Street Journal Bestseller *The Obstacle is the Way* has become a cult classic, beloved by men and women around the world who apply its wisdom to become more successful at whatever they do. Its many fans include a former governor and movie star (Arnold Schwarzenegger), a hip hop icon (LL Cool J), an Irish tennis pro (James McGee), an NBC sportscaster (Michele Tafoya), and the coaches and players of winning teams like the New England Patriots, Seattle Seahawks, Chicago Cubs, and University of Texas men's basketball team. The book draws its inspiration from stoicism, the ancient Greek philosophy of enduring pain or adversity with perseverance and resilience. Stoics focus on the things they can control, let go of everything else, and turn every new obstacle into an opportunity to get better, stronger, tougher. As Marcus Aurelius put it nearly 2000 years ago: “The impediment to action advances action. What stands in the way becomes the way.” Ryan Holiday shows us how some of the most successful people in history—from John D. Rockefeller to Amelia Earhart to Ulysses S. Grant to Steve Jobs—have applied stoicism to overcome difficult or even

impossible situations. Their embrace of these principles ultimately mattered more than their natural intelligence, talents, or luck. If you're feeling frustrated, demoralized, or stuck in a rut, this book can help you turn your problems into your biggest advantages. And along the way it will inspire you with dozens of true stories of the greats from every age and era.

Stillness Is the Key *Penguin*

Instant #1 New York Times Bestseller & Wall Street Journal Bestseller In *The Obstacle Is the Way* and *Ego Is the Enemy*, bestselling author Ryan Holiday made ancient wisdom wildly popular with a new generation of leaders in sports, politics, and technology. In his new book, *Stillness Is the Key*, Holiday draws on timeless Stoic and Buddhist philosophy to show why slowing down is the secret weapon for those charging ahead. All great leaders, thinkers, artists, athletes, and visionaries share one indelible quality. It enables them to conquer their tempers. To avoid distraction and discover great insights. To achieve happiness and do the right thing. Ryan Holiday calls it stillness--to be steady while the world spins around you. In this book, he outlines a path for achieving this ancient, but urgently necessary way of living. Drawing on a wide range of history's greatest thinkers, from Confucius to Seneca, Marcus Aurelius to Thich Nhat Hanh, John Stuart Mill to Nietzsche, he argues that stillness is not mere inactivity, but the doorway to self-mastery, discipline, and focus. Holiday also examines figures who exemplified the power of stillness: baseball player Sadaharu Oh, whose study of Zen made him the greatest home run hitter of all time; Winston Churchill, who in balancing his busy public life with time spent laying bricks and painting at his Chartwell estate managed to save the world from annihilation in the process; Fred Rogers, who taught generations of children to see what was invisible to the eye; Anne Frank, whose journaling and love of nature guided her through unimaginable adversity. More than ever, people are overwhelmed. They face obstacles and egos and competition. *Stillness Is the Key* offers a simple but inspiring antidote to the stress of 24/7 news and social media. The stillness that we all seek is the path to meaning, contentment, and excellence in a world that needs more of it than ever.

The Daily Stoic

366 Meditations on Wisdom, Perseverance, and the Art of Living *Penguin*

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. *The Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

Courage Is Calling

Fortune Favors the Brave *Penguin*

The instant New York Times, Wall Street Journal, and USA Today Bestseller! Ryan Holiday's bestselling trilogy—*The Obstacle Is the Way*, *Ego Is the Enemy*, and *Stillness Is the Key*—captivated professional athletes, CEOs, politicians, and entrepreneurs and helped bring Stoicism to millions of readers. Now, in the first book of an exciting new series on the cardinal virtues of ancient philosophy, Holiday explores the most foundational virtue of all: Courage. Almost every religion, spiritual practice, philosophy and person grapples with fear. The most repeated phrase in the Bible is "Be not afraid." The ancient Greeks spoke of phobos, panic and terror. It is natural to feel fear, the Stoics believed, but it cannot rule you. Courage, then, is the ability to rise above fear, to do what's right, to do what's needed, to do what is true. And so it rests at the heart of the works of Marcus Aurelius, Aristotle, and CS Lewis, alongside temperance, justice, and wisdom. In *Courage Is Calling*, Ryan Holiday breaks down the elements of fear, an expression of cowardice, the elements of courage, an expression of bravery, and lastly, the elements of heroism, an expression of valor. Through engaging stories about historic and contemporary leaders, including Charles De Gaulle, Florence Nightingale, and Dr. Martin Luther King Jr., Holiday shows you how to conquer fear and practice courage in your daily life. You'll also delve deep into the moral dilemmas and courageous acts of lesser-known, but equally as important, figures from ancient and modern history, such as Helvidius Priscus, a Roman Senator who stood his ground against emperor Vespasian, even in the face of death; Frank Serpico, a former New York City Police Department Detective who exposed police corruption; and Frederick Douglass and a slave named Nelly, whose fierce resistance against her captors inspired his own crusade to end slavery. In a world in which fear runs rampant—when people would rather stand on the sidelines than speak out against injustice, go along with convention than bet on themselves, and turn a blind eye to the ugly realities of modern life—we need courage more than ever. We need the courage of whistleblowers and risk takers. We need the courage of activists and adventurers. We need the courage of writers who speak the truth—and the courage of leaders to listen. We need you to step into the arena and fight.

The Daily Stoic Journal

366 Days of Writing and Reflection on the Art of Living *Penguin*

A beautiful daily journal to lead your journey in the art of living--and an instant WSJ bestseller! For more than two thousand years, Stoic philosophy has been the secret operating system of wise leaders, artists, athletes, brilliant thinkers, and ordinary citizens. With the acclaimed, bestselling books *The Obstacle Is the Way*, *Ego Is the Enemy* and *The Daily Stoic*, Ryan Holiday and Stephen Hanselman have helped to bring the Stoicism of Marcus Aurelius, Seneca, and Epictetus to hundreds of thousands of new readers all over the world. Now Holiday and Hanselman are back with *The Daily Stoic Journal*, a beautifully designed hardcover journal that features space for morning and evening notes, along with advice for integrating this ancient philosophy into our 21st century lives. Each week readers will discover a specific powerful Stoic practice, explained and presented with related quotations to inspire deeper reflection and application, and each day they will answer a powerful question to help gauge their progress. Created with a durable, Smyth-sewn binding and featuring a helpful introduction explaining the various Stoic tools of self-management, as well as resources for further reading, this is a lasting companion volume

for people who already love The Daily Stoic and its popular daily emails and social media accounts. It can also be used as a stand-alone journal, even if you haven't read the previous books. For anyone seeking inner peace, clarity, and effectiveness in our crazy world, this book will help them immensely for the next year—and for the rest of their lives.

Lives of the Stoics

The Art of Living from Zeno to Marcus Aurelius *Penguin*

Instant New York Times Advice & Business Bestseller, USA Today Bestseller, and Wall Street Journal #1 Bestseller! A New York Times Noteworthy Pick and a "stellar work" by Publishers Weekly From the bestselling authors of The Daily Stoic comes an inspiring guide to the lives of the Stoics, and what the ancients can teach us about happiness, success, resilience and virtue. Nearly 2,300 years after a ruined merchant named Zeno first established a school on the Stoa Poikile of Athens, Stoicism has found a new audience among those who seek greatness, from athletes to politicians and everyone in between. It's no wonder; the philosophy and its embrace of self-mastery, virtue, and indifference to that which we cannot control is as urgent today as it was in the chaos of the Roman Empire. In *Lives of the Stoics*, Holiday and Hanselman present the fascinating lives of the men and women who strove to live by the timeless Stoic virtues of Courage. Justice. Temperance. Wisdom. Organized in digestible, mini-biographies of all the well-known--and not so well-known--Stoics, this book vividly brings home what Stoicism was like for the people who loved it and lived it, dusting off powerful lessons to be learned from their struggles and successes. More than a mere history book, every example in these pages, from Epictetus to Marcus Aurelius--slaves to emperors--is designed to help the reader apply philosophy in their own lives. Holiday and Hanselman unveil the core values and ideas that unite figures from Seneca to Cato to Cicero across the centuries. Among them are the idea that self-rule is the greatest empire, that character is fate; how Stoics benefit from preparing not only for success, but failure; and learn to love, not merely accept, the hand they are dealt in life. A treasure of valuable insights and stories, this book can be visited again and again by any reader in search of inspiration from the past.

The Way, the Enemy, and the Key

A Boxed Set of the Obstacle Is the Way, Ego Is the Enemy & Stillness Is the Key *Portfolio*

A timeless trilogy of the extraordinary bestsellers *The Obstacle is the Way*, *Ego is the Enemy*, and *Stillness is the Key* by Ryan Holiday, now available for the first time ever in a beautiful boxed set edition. For more than two thousand years, Stoic philosophy has been the secret operating system of wise leaders, artists, athletes, brilliant thinkers, and ordinary citizens. With his acclaimed, bestselling books *The Obstacle is the Way*, *Ego is the Enemy*, and *Stillness is the Key*, Ryan Holiday has helped bring the Stoicism of Marcus Aurelius, Seneca, and Epictetus to hundreds of thousands of new readers all over the world. *The Obstacle is the Way* teaches you how to let go of the things you can't control and turn every new obstacle into an opportunity to get better, stronger, and tougher. *Ego is the Enemy* teaches you how to overcome and master the greatest obstacle in life--our insatiable ego. *Stillness is the Key* teaches you why slowing down is essential to charging ahead. This boxed set offers the Stoic insights and exercises from all three books featuring a vast array of stories and examples, from literature to philosophy to history. If you or anyone you know are seeking inner peace, clarity, and

effectiveness in our crazy world, this collection will help immensely and makes a great gift. It will help you find the serenity, self-knowledge, and resilience you need to live well. Start your journey in the art of living.

Perennial Seller

The Art of Making and Marketing Work that Lasts *Penguin*

The book that Inc. says "every entrepreneur should read" and an FT Book of the Month selection... How did the movie *The Shawshank Redemption* fail at the box office but go on to gross more than \$100 million as a cult classic? How did *The 48 Laws of Power* miss the bestseller lists for more than a decade and still sell more than a million copies? How is Iron Maiden still filling stadiums worldwide without radio or TV exposure forty years after the band was founded? Bestselling author and marketer Ryan Holiday calls such works and artists perennial sellers. How do they endure and thrive while most books, movies, songs, video games, and pieces of art disappear quickly after initial success? How can we create and market creative works that achieve longevity? Holiday explores this mystery by drawing on his extensive experience working with businesses and creators such as Google, American Apparel, and the author John Grisham, as well as his interviews with the minds behind some of the greatest perennial sellers of our time. His fascinating examples include: • Rick Rubin, producer for Adele, Jay-Z, and the Red Hot Chili Peppers, who teaches his artists to push past short-term thinking and root their work in long-term inspiration. • Tim Ferriss, whose books have sold millions of copies, in part because he rigorously tests every element of his work to see what generates the strongest response. • *Seinfeld*, which managed to capture both the essence of the nineties and timeless themes to become a modern classic. • Harper Lee, who transformed a muddled manuscript into *To Kill a Mockingbird* with the help of the right editor and feedback. • Winston Churchill, Stefan Zweig, and Lady Gaga, who each learned the essential tenets of building a platform of loyal, dedicated supporters. Holiday reveals that the key to success for many perennial sellers is that their creators don't distinguish between the making and the marketing. The product's purpose and audience are in the creator's mind from day one. By thinking holistically about the relationship between their audience and their work, creators of all kinds improve the chances that their offerings will stand the test of time.

Rome's Last Citizen

The Life and Legacy of Cato, Mortal Enemy of Caesar *Macmillan*

"Cato, history's most famous foe of authoritarian power, was the pivotal political man of Rome; an inspiration to our Founding Fathers; and a cautionary figure for our times. He loved Roman republicanism, but saw himself as too principled for the mere politics that might have saved it. His life and lessons are urgently relevant in the harshly divided America—and world—of today. With erudition and verve, Rob Goodman and Jimmy Soni turn their life of Cato into the most modern of biographies, a blend of *The Decline and Fall of the Roman Empire* and *Game Change*."—Howard Fineman, Editorial Director of The Huffington Post Media Group, NBC and MSNBC News Analyst, and New York Times bestselling author of *The Thirteen American Arguments* "A truly outstanding piece of work. What most impresses me is the book's ability to reach through the confusing dynastic politics of the late Roman Republic to present social realities in a way intelligible to the modern reader. *Rome's Last Citizen* entertainingly restores to life the stoic Roman who inspired

George Washington, Patrick Henry and Nathan Hale. This is more than a biography: it is a study of how a reputation lasted through the centuries from the end of one republic to the start of another."—David Frum, *DailyBeast* columnist, former White House speech writer, and New York Times bestselling author of *The Right Man* Marcus Porcius Cato: aristocrat who walked barefoot and slept on the ground with his troops, political heavyweight who cultivated the image of a Stoic philosopher, a hardnosed defender of tradition who presented himself as a man out of the sacred Roman past—and the last man standing when Rome's Republic fell to tyranny. His blood feud with Caesar began in the chamber of the Senate, played out on the battlefields of a world war, and ended when he took his own life rather than live under a dictator. Centuries of thinkers, writers, and artists have drawn inspiration from Cato's Stoic courage. Saint Augustine and the early Christians were moved and challenged by his example. Dante, in his *Divine Comedy*, chose Cato to preside over the souls who arrive in Purgatory. George Washington so revered him that he staged a play on Cato's life to revive the spirit of his troops at Valley Forge. Now, in *Rome's Last Citizen*, Rob Goodman and Jimmy Soni deliver the first modern biography of this stirring figure. Cato's life is a gripping tale that resonates deeply with our own turbulent times. He grappled with terrorists, a debt crisis, endemic political corruption, and a huge gulf between the elites and those they governed. In many ways, Cato was the ultimate man of principle—he even chose suicide rather than be used by Caesar as a political pawn. But Cato was also a political failure: his stubbornness sealed his and Rome's defeat, and his lonely end casts a shadow on the recurring hope that a singular leader can transcend the dirty business of politics. *Rome's Last Citizen* is a timeless story of an uncompromising man in a time of crisis and his lifelong battle to save the Republic.

Self Help

The Destructive Ego: Recognize and Tame the Enemy Within *Createspace Independent Publishing Platform*

This book contains proven steps and strategies on how to identify which ways your ego is harming you in life, and take control back. We will go over multiple areas of your life that could use improvement and simple, easy to understand ways to fix them. Many people are going through life struggling unnecessarily, all because they don't realize what the ego is, how to recognize it, and how to get it under control.

Trust Me, I'm Lying

Confessions of a Media Manipulator *Penguin*

The cult classic that predicted the rise of fake news—revised and updated for the post-Trump, post-Gawker age. Hailed as "astonishing and disturbing" by the *Financial Times* and "essential reading" by *TechCrunch* at its original publication, former American Apparel marketing director Ryan Holiday's first book sounded a prescient alarm about the dangers of fake news. It's all the more relevant today. *Trust Me, I'm Lying* was the first book to blow the lid off the speed and force at which rumors travel online—and get "traded up" the media ecosystem until they become real headlines and generate real responses in the real world. The culprit? Marketers and professional media manipulators, encouraged by the toxic economics of the news business. Whenever you see a malicious online rumor costs a company millions, politically motivated fake news driving elections, a product or celebrity zooming from total obscurity to viral sensation, or anonymously sourced articles becoming national conversation, someone is behind it. Often someone like

Ryan Holiday. As he explains, "I wrote this book to explain how media manipulators work, how to spot their fingerprints, how to fight them, and how (if you must) to emulate their tactics. Why am I giving away these secrets? Because I'm tired of a world where trolls hijack debates, marketers help write the news, opinion masquerades as fact, algorithms drive everything to extremes, and no one is accountable for any of it. I'm pulling back the curtain because it's time the public understands how things really work. What you choose to do with this information is up to you."

One Small Step Can Change Your Life

The Kaizen Way *Workman Publishing*

Improve your life fearlessly with this essential guide to kaizen—the art of making great and lasting change through small, steady steps. The philosophy is simple: Great change is made through small steps. And the science is irrefutable: Small steps circumvent the brain's built-in resistance to new behavior. No matter what the goal—losing weight, quitting smoking, writing a novel, starting an exercise program, or meeting the love of your life—the powerful technique of kaizen is the way to achieve it. Written by psychologist and kaizen expert Dr. Robert Maurer, *One Small Step Can Change Your Life* is the simple but potent guide to easing into new habits—and turning your life around. Learn how to overcome fear and procrastination with his 7 Small Steps—including how to Think Small Thoughts, Take Small Actions, and Solve Small Problems—to steadily build your confidence and make insurmountable-seeming goals suddenly feel doable. Dr. Maurer also shows how to visualize virtual change so that real change can come more easily. Why small rewards lead to big returns. And how great discoveries are made by paying attention to the little details most of us overlook. His simple regiment is your path to continuous improvement for anything from losing weight to quitting smoking, paying off debt, or conquering shyness and meeting new people. Rooted in the two-thousand-year-old wisdom of the Tao Te Ching—"The journey of a thousand miles begins with a single step"—here is the way to change your life without fear, without failure, and start on a new path of easy, continuous improvement.

Ego: The Worst Enemy And The Best Friend *St Pauls BYB*

The First Conspiracy

The Secret Plot to Kill George Washington *Flatiron Books*

Taking place during the most critical period of our nation's birth, *The First Conspiracy* tells a remarkable and previously untold piece of American history that not only reveals George Washington's character, but also illuminates the origins of America's counterintelligence movement that led to the modern day CIA. In 1776, an elite group of soldiers were handpicked to serve as George Washington's bodyguards. Washington trusted them; relied on them. But unbeknownst to Washington, some of them were part of a treasonous plan. In the months leading up to the Revolutionary War, these traitorous soldiers, along with the Governor of New York, William Tryon, and Mayor David Mathews, launched a deadly plot against the most important member of the military: George Washington himself. This is the story of the secret plot and how it was revealed. It is a story of leaders, liars, counterfeiters, and jailhouse confessions. It also shows just how hard the battle was for George Washington and how close America was to losing the Revolutionary War. In this historical page-turner, New York Times bestselling author Brad Meltzer teams up with American history writer and documentary

television producer, Josh Mensch to unravel the shocking true story behind what has previously been a footnote in the pages of history. Drawing on extensive research, Meltzer and Mensch capture in riveting detail how George Washington not only defeated the most powerful military force in the world, but also uncovered the secret plot against him in the tumultuous days leading up to July 4, 1776. Praise for *The First Conspiracy*: "This is American history at its finest, a gripping story of spies, killers, counterfeiter, traitors and a mysterious prostitute who may or may not have even existed. Anyone with an interest in American history will love this book." —Douglas Preston, #1 bestselling author of *The Lost City of the Monkey God* "A wonderful book about leadership and it shows why George Washington and his moral lessons are just as vital today. What a book. You'll love it." —President George H.W. Bush "This is an important book: a fascinating largely unknown chapter of our hazardous beginning, a reminder of why counterintelligence matters, and a great read." —President Bill Clinton

Zen and the Art of Happiness *SCB Distributors*

The gentle wisdom of "Zen and the Art of Happiness" shows how to invite magnificent experiences into your life and create a philosophy that will sustain you through anything. The Zen of doing anything is to behave with a particular state of mind that brings the experience of enlightenment to even everyday facts -- and through that experience, happiness.

Unbelievable

My Front-Row Seat to the Craziest Campaign in American History *HarperCollins*

NEW YORK TIMES BESTSELLER "Compelling... this book couldn't be more timely." – Jill Abramson, New York Times Book Review From the Recipient of the 2017 Walter Cronkite Award for Excellence in Journalism Called "disgraceful," "third-rate," and "not nice" by Donald Trump, NBC News correspondent Katy Tur reported on—and took flak from—the most captivating and volatile presidential candidate in American history. Katy Tur lived out of a suitcase for a year and a half, following Trump around the country, powered by packets of peanut butter and kept clean with dry shampoo. She visited forty states with the candidate, made more than 3,800 live television reports, and tried to endure a gazillion loops of Elton John's "Tiny Dancer"—a Trump rally playlist staple. From day 1 to day 500, Tur documented Trump's inconsistencies, fact-checked his falsities, and called him out on his lies. In return, Trump repeatedly singled Tur out. He tried to charm her, intimidate her, and shame her. At one point, he got a crowd so riled up against Tur, Secret Service agents had to walk her to her car. None of it worked. Facts are stubborn. So was Tur. She was part of the first women-led politics team in the history of network news. The Boys on the Bus became the Girls on the Plane. But the circus remained. Through all the long nights, wild scoops, naked chauvinism, dodgy staffers, and fevered debates, no one had a better view than Tur. Unbelievable is her darkly comic, fascinatingly bizarre, and often scary story of how America sent a former reality show host to the White House. It's also the story of what it was like for Tur to be there as it happened, inside a no-rules world where reporters were spat on, demeaned, and discredited. Tur was a foreign correspondent who came home to her most foreign story of all. Unbelievable is a must-read for anyone who still wakes up and wonders, Is this real life?

Win from Within

Finding Yourself by Facing Yourself *FaithWords*

Mega-Pastor and media personality John Gray uses powerful Biblical principles to help you become your best self -- the person God created you to be. In *WIN FROM WITHIN*, John Gray helps readers identify how best to handle the most difficult, challenging and yet necessary battle that we all face--our inner struggle to overcome the worst versions of ourselves. He offers biblical lessons to aid in combatting bad habits and limiting patterns so that the best version of ourselves emerges. *WIN FROM WITHIN* gives practical application to the story recorded in Genesis of Jacob wrestling with the man at the River Jabbok, and through it readers will learn how to become the persons they were created to be. The persons God intended each of us to be develops as we face our inner battles. With examples from his own life as well as his ministerial counseling, Gray provides a pathway to awakening. He includes strategies for confronting the past, how we have been labeled, who people have said we are, even who we think we are, so that we can win the battle and be who God intends us to be. Jacob spent much of his life running and hiding from himself. At a certain point we, like Jacob, cannot run from our true selves anymore. We must stop and face ourselves if we are to become great. *WIN FROM WITHIN* helps us conquer our inner darkness and overcome such hindrances as fear, shame and guilt. This powerfully biblical self-help guide will push us toward victory over our inner struggles. Winning will make us the persons we have always wanted to be, the persons we have dreamed about becoming, the persons God created us to be.

The Art of Living *GENERAL PRESS*

Epictetus was born into slavery about 55 CE in the eastern outreaches of the Roman Empire. Once freed, he established an influential school of Stoic philosophy, stressing that human beings cannot control life, only their responses to it. By putting into practice the ninety-three witty, wise, and razor-sharp instructions that make up *The Art of Living*, readers learn to meet the challenges of everyday life successfully and to face life's inevitable losses and disappointments with grace.

Good Is the Enemy of Great *Young Excited Solz Publishing*

Someone once said, "Good Enough Sucks " It really does, especially if you are capable of much more. Why settle for a slice, when you originally set out to get the whole pie? This book is the recipe for getting the whole pie. A true road map for achieving greatness in every part of your life. This easy read will inspire you to not settle for "good enough" and strive for greatness in everything you do. It's for everyone who wants to achieve more and reach new heights. Achieving greatness means you recognize there is room for improvement. Greatness is a by-product of repeating the process of getting better. It's not very difficult at all to go from good to great. Don't worry about being the greatest. You only have to worry about getting better and better at what you do. If you consistently improve, greatness will happen naturally. This book, "Good Is The Enemy Of Great," describes that process and gives you the road map to achieving it. Join me in this quest for greatness and get your copy today.

Manage Your Problems - The Gopal Bhand Way *V&S Publishers*

Gopal Bhand, the barber, was the chief jester at the Rajbari (Royal Court) of Raja Krishnachandra Rai, the famous Emperor of Krishnanagar (Nadia), West Bengal during the 18th century. Gopal was a genius and is included in the genre of Birbal and Tenali Raman. Countless stories of his exploits where he outwits other fellow courtiers and men are narrated in Bengal and Bangladesh even to this day. Gopal as a court jester was able to influence the King in many matters. He always had wit at his

disposal, whether in the form of puns, riddles, doggerel verse, antics or babble which he used to soften the blow of a critical comment or edgy moment in a way that prevented a dignified personage from losing face. His ability to make people laugh coupled with his riotous imagination with the tinge of sympathy and pathos did have a stunning effect to defuse tense situations. A hilarious bouquet of Gopal's timeless anecdotes are presented in this book which really are eye openers - imparting new thoughts, new dreams, new solutions, new ideas, new wordplay, newer takes on humour, parodies, satire and a window to a whole new world of imagination and basic wisdom. The reader might ask himself, 'What makes the book a compelling read?' Sure, the answer is . . . the stories of the book are short with a heady mix of wit, comedy, funny description and wonderful characterizations dusted with Gopal's inimitable sprinklings of humor which provoke one to think beyond the seemingly simple things. The book offers tales of wise men and their battles of wit during the medieval royal Bengal; stories of knotty problems with ingenious solutions and mind fertilizing anecdotes which not only inform, advise, enthuse, inspire and amuse but impart specific and terse wise lessons appropriate to the issues at point to 'Manage the Problems' neatly. In one story, Gopal was walking down the road with the Zamindaar (landlord). The arrogant Zamindaar said, "e;I am the Ruler of this great big earth. Everybody should fear me."e; Gopal immediately questioned, "e;Who told you that Sire?"e; "e;God himself told me!"e; said the Zamindaar confidently. "e;But I never told you that!"e; replied Gopal leaving the Zamindaar tightlipped. The author has taken great care to narrate the anecdotes in the most descriptive manner focusing on wise lessons at the end of each account laced with equally fascinating illustrations. The presentation of the book is unique as it can be read from any chapter, but still it will stimulate the reader - like a peeled banana, which can be eaten from any side, thus enjoying its sweetness. It's a fascinating assortment of entertaining anecdotal short stories guaranteed to leave the reader in stitches. It tends to work like an aspirin. Only it will work twice as fast. So you can't afford to be without this.

The Boy Who Would Be King

On Purpose Leadership

Master the Art of Leading Yourself to Inspire and Impact Others

There is a difference between success and fulfillment. This book is for the leader who demands both. You're professionally accomplished, you lead others to perform, and you drive results. Yet there's a part of you that is unsatisfied with achievement alone: You seek a deeper sense of purpose and fulfillment. More and more people are viewing their work as the enemy to living their purpose at precisely the same time they are craving for more meaning in the work they do. They are seeking leadership rooted in purpose to inspire them to tap into something deeper so they can go the extra mile for you. You must show them the way, by living and leading on purpose. This is for the leader who: Rejects the idea of suspending your dreams and postponing fulfillment until the backend of life. Desires incredible results and high performance, without sacrificing physical, mental, and spiritual wellbeing (for yourself and those you lead). Believes living your purpose doesn't require a dramatic and complete upheaval of your life...you can live it right now. Fans of Brene Brown, John Maxwell, and Simon Sinek will love this book and the practical leadership principles it shows you how to apply right now.

Disrobed

An Inside Look at the Life and Work of a Federal Trial Judge *West Group*

"Written for the legal community and the general public, this book explains, in practical terms, the perspective behind some of the most newsworthy and sensational cases of the last 20 years. Few, if any, judges have commented on the cases that have appeared before them. Judge Block critiques some of the historical practices of the legislature and the bench; educates readers about the death penalty, racketeering, gun laws, drug laws, discrimination laws, race riots, terrorism, and foreign affairs; and intimates the more humble aspects of being on the bench, e.g. the choice to use humor, death threats against members of the bench, brushes with celebrities, witnessing how popular sentiment can override the facts of a case, racist underpinnings of the drug laws, and more"--Provided by publisher.

Get Out of Your Own Way

A Skeptic's Guide to Growth and Fulfillment *HarperCollins Leadership*

The idea that you could be more but got in your own way should wake you up in the middle of the night. Dave Hollis used to think that "personal growth" was just for broken people, then he woke up. When a looming career funk, a growing drinking problem, and a challenging trek through therapy battered Dave Hollis, a Disney executive and father of four, he began to realize he was letting untruths about himself dictate his life. As he sank to the bottom of his valley, he had to make a choice. Would he push himself out of his comfort zone to become the best man he was capable of being, or would he play it safe and settle for mediocrity? In *Get Out of Your Own Way*, Dave tackles topics he once found it difficult to be honest about, things like his struggles with alcohol and his insecurities about being a dad. Offering encouragement, challenges, and a hundred moments to laugh, Dave will help you: Discover the way for those of us who are, like he was, skeptical of self-help but wanting something more than the status quo Drop negative ideas about who we are supposed to be and finally start living as who we really are See our own journeys more clearly as he unpacks the lies he once believed—such as "I Have to Have It All Together" and "Failure Means You're Weak" Learn the tools that helped him change his life, and may change your life too *Get Out of Your Own Way* is a call to arms for anyone who's interested in a more fulfilled life, who, along the way, may have lost their "why" and now wonders how to unlock their potential or be better for their loved ones.

Positive Intelligence

Why Only 20% of Teams and Individuals Achieve Their True Potential and how You Can Achieve Yours *Greenleaf Book Group*

Chamine exposes how your mind is sabotaging you and keeping you from achieving your true potential. He shows you how to take concrete steps to unleash the vast, untapped powers of your mind.

A Guide to Stoicism *The Floating Press*

One of the most influential schools of classical philosophy, stoicism emerged in the third century BCE and later grew in popularity through the work of proponents such as Seneca and Epictetus. This informative introductory volume provides an overview and brief history of the stoicism movement.

The War of Art

Break Through the Blocks and Win Your Inner Creative Battles *Black Irish Entertainment LLC*

What keeps so many of us from doing what we long to do? Why is there a naysayer within? How can we avoid the roadblocks of any creative endeavor—be it starting up a dream business venture, writing a novel, or painting a masterpiece? The War of Art identifies the enemy that every one of us must face, outlines a battle plan to conquer this internal foe, then pinpoints just how to achieve the greatest success. The War of Art emphasizes the resolve needed to recognize and overcome the obstacles of ambition and then effectively shows how to reach the highest level of creative discipline. Think of it as tough love . . . for yourself.

Growth Hacker Marketing

A Primer on the Future of PR, Marketing, and Advertising *Penguin*

A primer on the future of PR, marketing and advertising — now revised and updated with new case studies "Forget everything you thought you knew about marketing and read this book. And then make everyone you work with read it, too." —Jason Harris, CEO of Mekanism Megabrands like Dropbox, Instagram, Snapchat, and Airbnb were barely a blip on the radar years ago, but now they're worth billions—with hardly a dime spent on traditional marketing. No press releases, no TV commercials, no billboards. Instead, they relied on growth hacking to reach users and build their businesses. Growth hackers have thrown out the old playbook and replaced it with tools that are testable, trackable, and scalable. They believe that products and businesses should be modified repeatedly until they're primed to generate explosive reactions. Bestselling author Ryan Holiday, the acclaimed marketing guru for many successful brands, authors, and musicians, explains the new rules in a book that has become a marketing classic in Silicon Valley and around the world. This new edition is updated with cutting-edge case studies of startups, brands, and small businesses. Growth Hacker Marketing is the go-to playbook for any company or entrepreneur looking to build and grow.

Conspiracy

Peter Thiel, Hulk Hogan, Gawker, and the Anatomy of Intrigue *Penguin*

An NPR Book Concierge Best Book of 2018! A stunning story about how power works in the modern age--the book the New York Times called "one helluva page-turner" and The Sunday Times of London celebrated as "riveting...an astonishing modern media conspiracy that is a fantastic read." Pick up the book everyone is talking about. In 2007, a short blogpost on Valleywag, the Silicon Valley-vertical of Gawker Media, outed PayPal founder and billionaire investor Peter Thiel as gay. Thiel's sexuality had been known to close friends and family, but he didn't consider himself a public figure, and believed the information was private. This post would be the casus belli for a meticulously plotted conspiracy that would end nearly a decade later with a \$140 million dollar judgment against Gawker, its bankruptcy and with Nick Denton, Gawker's CEO and founder, out of a job. Only later would the world learn that Gawker's demise was not incidental--it had been masterminded by Thiel. For years, Thiel had searched endlessly for a solution to what he'd come to call the "Gawker Problem." When an unmarked envelope delivered an illegally recorded sex tape of Hogan with his best

friend's wife, Gawker had seen the chance for millions of pageviews and to say the things that others were afraid to say. Thiel saw their publication of the tape as the opportunity he was looking for. He would come to pit Hogan against Gawker in a multi-year proxy war through the Florida legal system, while Gawker remained confidently convinced they would prevail as they had over so many other lawsuit--until it was too late. The verdict would stun the world and so would Peter's ultimate unmasking as the man who had set it all in motion. Why had he done this? How had no one discovered it? What would this mean--for the First Amendment? For privacy? For culture? In Holiday's masterful telling of this nearly unbelievable conspiracy, informed by interviews with all the key players, this case transcends the narrative of how one billionaire took down a media empire or the current state of the free press. It's a study in power, strategy, and one of the most wildly ambitious--and successful--secret plots in recent memory. Some will cheer Gawker's destruction and others will lament it, but after reading these pages--and seeing the access the author was given--no one will deny that there is something ruthless and brilliant about Peter Thiel's shocking attempt to shake up the world.

Limitless

Upgrade Your Brain, Learn Anything Faster, and Unlock Your Exceptional Life *Hay House, Inc*

An instant New York Times bestseller and #1 Wall Street Journal bestseller. JIM KWIK, the world's #1 brain coach, has written the owner's manual for mental expansion and brain fitness. Limitless gives people the ability to accomplish more--more productivity, more transformation, more personal success and business achievement--by changing their Mindset, Motivation, and Methods. These "3 M's" live in the pages of Limitless along with practical techniques that unlock the superpowers of your brain and change your habits. For over 25 years, Jim Kwik has worked closely with successful men and women who are at the top in their fields as actors, athletes, CEOs, and business leaders from all walks of life to unlock their true potential. In this groundbreaking book, he reveals the science-based practices and field-tested tips to accelerate self learning, communication, memory, focus, recall, and speed reading, to create fast, hard results. Learn how to: FLIP YOUR MINDSET Your brain is like a supercomputer and your thoughts program it to run. That's why the Kwik Brain process starts with unmasking assumptions, habits, and procrastinations that stifle you, redrawing the borders and boundaries of what you think is possible. It teaches you how to identify what you want in every aspect of your life, so you can move from negative thinking to positive possibilities. IGNITE YOUR MOTIVATION Uncovering what motivates you is the key that opens up limitless mental capacity. This is where Passion + Purpose + Energy meet to move you closer to your goals, while staying focused and clear. Your personal excitement will be sustainable with self-renewing inspirations. Your mind starts strong, stays strong, and drives further exponentially faster. MASTER THE METHOD We've applied the latest neuroscience for accelerated learning. Our process, programs, podcasts, and products unleash your brain's own superpowers. Finish a book 3x faster through speed reading (and remember every part of it), learn a new language in record time, and master new skills with ease. These are just a few of the life-changing self-help benefits. With Kwik Brain, you'll get brain-fit and level-up your mental performance. With the best Mindset, Motivation and Method, your powers become truly limitless.

The Old Way

A Story of the First People *Sarah Crichton Books*

One of our most influential anthropologists reevaluates her long and illustrious career by returning to her roots—and the roots of life as we know it. When Elizabeth Marshall Thomas first arrived in Africa to live among the Kalahari San, or bushmen, it was 1950, she was nineteen years old, and these last surviving hunter-gatherers were living as humans had lived for 15,000 centuries. Thomas wound up writing about their world in a seminal work, *The Harmless People* (1959). It has never gone out of print. Back then, this was uncharted territory and little was known about our human origins. Today, our beginnings are better understood. And after a lifetime of interest in the bushmen, Thomas has come to see that their lifestyle reveals great, hidden truths about human evolution. As she displayed in her bestseller, *The Hidden Life of Dogs*, Thomas has a rare gift for giving voice to the voices we don't usually listen to, and helps us see the path that we have taken in our human journey. In *The Old Way*, she shows how the skills and customs of the hunter-gatherer share much in common with the survival tactics of our animal predecessors. And since it is "knowledge, not objects, that endure" over time, Thomas vividly brings us to see how linked we are to our origins in the animal kingdom. *The Old Way* is a rare and remarkable achievement, sure to stir up controversy, and worthy of celebration.

Moon Knight Vol. 2**Reincarnations** *Marvel Entertainment*

Collecting *Moon Knight* (2016) #6-9, *Moon Knight* (1980) #2. Meet the many men inside *Moon Knight*'s head as the focus shifts to his various incarnations! Last of the Amazons**A Novel** *Bantam*

BONUS: This edition contains an excerpt from Steven Pressfield's *The Profession*. The author of the international bestsellers *Gates of Fire* and *Tides of War* delivers his most gripping and imaginative novel of the ancient world—a stunning epic of love and war that breathes life into the grand myth of the ferocious female warrior culture of the Amazons. Steven Pressfield has gained a passionate worldwide following for his magnificent novels of ancient Greece, *Gates of Fire* and *Tides of War*. In *Last of the Amazons*, Pressfield has surpassed himself, re-creating a vanished world in a brilliant novel that will delight his loyal readers and bring legions more to his singular and powerful restoration of the past. In the time before Homer, the legendary Theseus, King of Athens (an actual historical figure), set sail on a journey that brought him into the land of *tal Kyrte*, the “free people,” a nation of proud female warriors whom the Greeks called “Amazons.” The Amazons, bound to each other as lovers as well as fighters, distrusted the Greeks, with their boastful talk of “civilization.” So when the great war queen Antiope fell in love with Theseus and fled with the Greeks, the mighty Amazon nation rose up in rage. *Last of the Amazons* is not merely a masterful tale of war and revenge. Pressfield has created a cast of extraordinarily vivid characters, from the unforgettable Selene, whose surrender to the Greeks does nothing to tame her; to her lover, Damon, an Athenian warrior who grows to cherish the wild Amazon ways; to the narrator, Bones, a young girl from a noble family who was nursed by Selene from birth and secretly taught the Amazon way; to the great Theseus, the tragic king; and to Antiope, the noble queen who betrayed *tal Kyrte* for the love of Theseus. With astounding immediacy and extraordinary attention to military detail, Pressfield transports readers into the heat and terror of war. Equally impressive is his creation of the Amazon nation, its people, its rituals and myths, its greatness and savagery. *Last of the Amazons* is thrilling on every page, an epic tale of the clash between wildness and civilization, patriotism and love, man and woman.
