A Culture Code is a detailed document (often a presentation) that outlines the culture of your organization. It covers your company’s motivations and inspirations, the common drivers and passions that unite your team and define your cumulative culture (think less employee handbook and more, ‘unwritten rules’ of engagement).

Creating a Culture Code - How To & Why You Should

Culture code is a key method developed by Clotaire Rapaille to understanding the type of culture, unique cultural features encoded in some form of information to identify the culture. Cultural code defines a set of images that are associated with a particular set of stereotypes in our minds. This is sort of cultural unconscious, which is hidden even from our own understanding, but is also seen in our actions. The cultural codes of a nation helps to understand the behavioral responses characteris

Culture code - Wikipedia

Culture may be taken as constituting the ‘way of life’ of an entire society, and this will include codes of manners, dress, language, rituals, norms of behaviour and systems of belief Sociologists stress that human behaviour is primarily the result of nurture (social determinants) rather than nature (biological determinants) (see NATURE – NURTURE DEBATE).
