The Holy Bible (English Standard Version) - Kindle edition ...

The New English Standard Version translation is founded on the belief that the words of the Bible are the very words of God. Setting itself apart from other translations by sacrificing neither accuracy nor readability, the ESV is an "essentially literal" translation that seeks to duplicate the original texts while taking into account the differences between modern English and the original languages.

English Standard Version (ESV) - Version Information ...

The English Standard Version is an English translation of the Bible. It was first published in 2001 by Crossway. The ESV is based on the 1971 edition of the Revised Standard Version text. The ESV adheres to an "essentially literal" translation philosophy, taking into account the differences of grammar, syntax, and idiom between current literary English and the original text. With regard to gender language, the goal of the ESV is "to render literally what is in the original." The ESV uses some ge
