The business of events management Beech, John G., 1947- , editor of compilation Events Management 1e John Beech, Sebastian Kaiser and Robert Kaspar The Business of Events Management provides an accessible and lively introduction to the practice of managing an event, festival, conference or congress.

The business of events management by Beech, John G., 1947 ...

Event management is the oversight of many administrative details for events such as conferences, festivals, or weddings. An event manager works with staff and vendors to make sure the event is executed according to plan. While event planners tend to work on the overall event concept, event managers deal with the details of its execution.

Event Management: What Is It? - The Balance Small Business

In a statement released yesterday, ETF have announced the cancellation of The Business of Events for 2020. After careful consideration, we have made the difficult decision not to hold The Business of Events in 2020. Instead, we will return in 2021 with a new theme and program that will ensure a strong comeback.
