Everything Happens for a Reason

And Other Lies I've Loved *Random House Trade Paperbacks*
NEW YORK TIMES BESTSELLER • “A meditation on sense-making when there’s no sense to be made, on letting go when we can’t hold on, and on being unafraid even when we’re terrified.”—Lucy Kalanithi “Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi’s *When Breath*

Becomes Air and Atul Gawande’s *Being Mortal*.”—Bill Gates
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE
Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God’s disapproval. At thirty-five, everything in her life seems to point toward “blessing.” She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with “a surge of determination.” Even as this type of Christianity celebrates the American can-do spirit, it implies that if you “can’t do” and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. Everything Happens for a Reason tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for Everything Happens for a Reason “I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and

a hell of a lot less alone. And what else is art for?"—Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* and president of Together Rising

Everything Happens for a Reason and Other Lies I've Loved *SPCK*

London-born Kate Bowler, a thirty-five year-old professor at the school of divinity at Duke, had finally had a baby with her childhood sweetheart when she began to feel jabbing pains in her stomach. She lost thirty pounds, guzzled antacid, and visited doctors for three months before she was finally diagnosed with Stage IV colon cancer. As Kate navigates the aftermath of her diagnosis, she pulls the reader into her life and her history – affectionately filled with a colourful retinue of friends, mega-church preachers, parents, and doctors – and shares her irreverent, laser-sharp reflections on faith, friendship, love, and death. She wonders why suffering makes her feel like a loser and

explores the burden of positivity. Trying to relish the time she still has with her son and husband, she realizes she must cure her habit of 'skipping to the end' and planning the next move. An historian of the American Prosperity Gospel (the creed of the megachurches that promises believers a cure for tragedy, if they just want it badly enough) Kate finds that she craves these same 'outrageous certainties'. Why is it so hard to surrender when she knows there are no spiritual guarantees? In *Everything Happens for a Reason* we encounter one of the talented, courageous few who - like Paul Kalanithi - can articulate the grief we feel as we contemplate our own mortality.

Everything Happens for a Reason *Orenda Books*

When Rachel's baby is stillborn, she becomes obsessed with the idea that saving a stranger's life months earlier is to blame. An unforgettable, heart-wrenching, warm and funny debut. Mum-to-be Rachel did everything right, but it all went wrong. Her son, Luke, was stillborn and she finds herself on maternity leave without a baby, trying to make sense of her loss. When a misguided well-wisher tells her that "everything happens for a reason", she becomes obsessed with finding that reason, driven by grief and convinced that she is somehow to blame. She remembers that on the day she discovered her pregnancy, she'd stopped a man from jumping in front of a train, and she's now certain that saving his life cost her the life of her son. Desperate to find him, she enlists an unlikely ally in Lola, an Underground worker, and Lola's seven-year-old daughter, Josephine, and eventually tracks him down, with completely unexpected

results... Both a heart-wrenchingly poignant portrait of grief and a gloriously uplifting and disarmingly funny story of a young woman's determination, *Everything Happens for a Reason* is a bittersweet, life-affirming read and, quite simply, unforgettable.

Everything Happens for a Reason

Finding the True Meaning of the Events in Our Lives *Harmony*

In each of our lives we are faced with events that seem inexplicable, unjust, even cruel—events that can shatter our perception of the world, our understanding of ourselves, and our faith in a higher power. Friends and family members often offer comfort with "Everything happens for a reason"—a simple, common phrase with an unbearably elusive meaning. In *Everything Happens for a Reason*, psychotherapist Mira Kirshenbaum helps us understand the principles behind this frequently used phrase and provides us with tools to grasp its true meaning. According to Kirshenbaum, there is significance to each of the events in our lives. We all can discover meaning in what has happened to us—seeing such occurrences as gifts, lessons, or opportunities that we might not have been able to get any other way. Building on more than twenty-five years of clinical research, Kirshenbaum has developed tests to help readers decode the confusing or unfortunate events in their lives and find solace and strength in the positive outcomes that exist. Kirshenbaum offers ten universal reasons for the tragedies in our lives, among them letting go of fear, radically accepting

ourselves, becoming a truly good person, finding forgiveness, and discovering our mission. While coming to terms with unexpected loss and disappointment is never easy, *Everything Happens for a Reason* empowers readers to embrace the positive and comprehend the specific message that is larger and more powerful than their grief.

Everything Happens for a Reason?

God's Purposes in a World Gone Bad *Moody Publishers*

Everyone struggles to find explanations for their suffering. Dr. Paul Enns answers several tough, critical questions that all revolve around this central quandary of "why." Why does God allow suffering? Is suffering the result of judgment for sin? Are there even explanations for the terrors and trials we face? Dr. Enns brings answers from Scripture and from his experience as a professor and pastor, and a wounded one at that. More than anything, he brings comfort and clarity to people who are desperate for it.

Everything Happens for a Reason

Love, Free Will, and the Lessons of the Soul

Everything Happens for a Reason sheds light on many of life's nagging mysteries. If you've ever wondered why you were born, what death is, and why there can be so much pain in-between . . . if you question your choices, ask why you attract certain people into your life, or have a desire to stop making the same "mistakes" over and over again, then this book is for you!

EVERYTHING HAPPENS for a Reason JUST BELIEVE

Journal *Independently Published*

This is a writing journal. It is great for writing poetry, notes, lists, or just random thoughts. This writing journal is filled with many inspirational quotes and lined for you to use as needed.

Everything Happens for a Reason *Harrison House*

In an attempt to give meaning to what appears to be inexplicable circumstances in life, many people say, "Well, everything happens for a reason, you know." The truth of the matter is that everything does happen for a reason! In this book, Bishop Butler explores the truths found in the Parable of the Sower, uncovering the secrets God has hidden for you, including the following: - What God does, how He does it and why - What Satan does, how he does it and why - What you should do and why These truths will give you tools for avoiding self-inflicted wounds and strategies to use to deflect the five tools Satan uses-affliction, persecution, the cares of this world, the deceitfulness of riches, and the lusts of other things - to try and keep the Word from becoming deeply planted in your life You can live a lifestyle that pleases God! The Word gives you an answer to overcoming every problem you face in life! You can live a life of victory!

Summary of Everything Happens for a Reason by Kate Bowler: Conversation Starters *Blurb*

Everything Happens for a Reason by Kate Bowler: Conversation Starters "Everything Happens for a Reason: And Other Lies I've Loved" is Kate Bowler's memoir about the challenges of faith that she faced after being diagnosed with stage IV cancer at the young age of 35. Having deep roots in a faith that goodness is rewarded and wrong doing is punished, her cancer diagnosis takes her on a journey to understand to understand the aspects of the believe that trials are meant to test us. "Everything Happens for a Reason" has been well received. It made the New York Time's Bestseller List and has received a 4.5 star rating on Amazon. A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to...

Create Hours of Conversation: - Promote an atmosphere of discussion for groups - Foster a deeper understanding of the book - Assist in the study of the book, either individually or corporately - Explore unseen realms of the book as never seen before
Disclaimer: This book you are about to enjoy is an independent resource meant to supplement the original book. If you have not yet read the original book, we encourage you to before purchasing this unofficial Conversation Starters.

Half Truths

God Helps Those Who Help Themselves and Other Things the Bible Doesn't Say *Abingdon Press*

They are simple phrases. They sound Christian—like something you might find in the Bible. We've all heard these words. Maybe we've said them. They capture some element of truth, yet they miss the point in important ways. Join Adam Hamilton in this 5-week Bible study to search for the whole truth by comparing common Christian clichés with the wisdom found in Scripture. The clichés include: Everything happens for a reason. God helps those who help themselves. God won't give you more than you can handle. God said it, I believe it, that settles it. Love the sinner, hate the sin.

Everything Happens for a Reason a Season Or for a Lifetime

Encouragement Quote Notebook for Women

A REASON A beautifully lettered notebook with timeless,

inspirational quote and an encouraging gift idea for women going through difficult times. Quality lined journal for writing in. 6X9 inch, 108 pages, lightly lined, matte softcover

Blessed

A History of the American Prosperity Gospel *Oxford University Press*

How have millions of American Christians come to measure spiritual progress in terms of their financial status and physical well-being? How has the movement variously called Word of Faith, Health and Wealth, Name It and Claim It, or simply prosperity gospel come to dominate much of our contemporary religious landscape? Kate Bowler's *Blessed* is the first book to fully explore the origins, unifying themes, and major figures of a burgeoning movement that now claims millions of followers in America. Bowler traces the roots of the prosperity gospel: from the touring mesmerists, metaphysical sages, pentecostal healers, business oracles, and princely prophets of the early 20th century; through mid-century positive thinkers like Norman Vincent Peale and revivalists like Oral Roberts and Kenneth Hagin; to today's hugely successful prosperity preachers. Bowler focuses on such contemporary figures as Creflo Dollar, pastor of Atlanta's 30,000-member World Changers Church International; Joel Osteen, known as "the smiling preacher," with a weekly audience of seven million; T. D. Jakes, named by Time magazine one of America's most influential new religious leaders; Joyce Meyer, evangelist and women's empowerment guru; and many others. At almost any moment, day or night, the American public can

tune in to these preachers-on TV, radio, podcasts, and in their megachurches-to hear the message that God desires to bless them with wealth and health. Bowler offers an interpretive framework for scholars and general readers alike to understand the diverse expressions of Christian abundance as a cohesive movement bound by shared understandings and common goals.

Everything Happens for a Reason *HarperCollins*

A witty, wry look at contemporary marriage and relationships, from the author of *For Matrimonial Purposes*.

The Preacher's Wife

The Precarious Power of Evangelical Women Celebrities *Princeton University Press*

From the New York Times bestselling author of *Everything Happens for a Reason: And Other Lies I've Loved*, a fascinating look at the world of Christian women celebrities Since the 1970s, an important new figure has appeared on the center stage of American evangelicalism—the celebrity preacher's wife. Although most evangelical traditions bar women from ordained ministry, many women have carved out unofficial positions of power in their husbands' spiritual empires or their own ministries. The biggest stars—such as Beth Moore, Joyce Meyer, and Victoria Osteen—write bestselling books, grab high ratings on Christian television, and even preach. In this engaging book, Kate Bowler offers a sympathetic and revealing portrait of megachurch women celebrities, showing how they must balance the demands of celebrity culture and conservative, male-dominated faiths.

It Happens for a Reason

When Vipasha, Vee to friends, eighteen and single, makes the decision to have her baby, she does more than give up her

promising modelling career. She ends up cutting ties with her family, and with Ankush, the man she thought she was in love with. Fast-forward sixteen years, and she now has two unusual careers: she runs a dog-boarding facility and is a gym instructor.

Nelson

Smart, strong, independent—single women can live a fabulous life. Husband not required. Mandy Hale, also known by her many blog readers and Twitter fans as The Single Woman™, shares her stories, advice, and enthusiasm for living life as an empowered, confident, God-centered woman who doesn't just resign herself to being single—she enjoys it! Being single has had its stigmas, but Mandy proves it has its advantages too, and she uses wisdom and wit to inspire her fellow single ladies to celebrate and live fully in the life God has given them. Mandy encourages her readers on subjects such as taking chances, building friendships, letting go, and finding a greater purpose. With her help, readers can stop worrying about happily ever after and discover a happy life instead.

Not a Coincidence

Everything Happens for a Reason *CreateSpace*

We've always said, "Everything happens for a reason." God is the reason. There are no coincidences with God because He has a plan for everyone and everything. This book contains chapters of true life experiences of Divine Intervention; thoughts, actions, and words that have no other explanation other than it is part of God's plan. This book explains how I KNOW God exists. I hope it will inspire others to recognize situations as part of a bigger plan, rather than question why things happen to us in our lives. This is a short read.

Everything Happens for a Reason. Sometimes the Reason

is You're Stupid and Make Bad Decisions.

Everything Happens for a Reason

My Journey

Straightforward and extraordinary, Ronnie O'Neill, in her own words, gives a story of innerstrength, courage, and the will of the human spirit in surviving a brain aneurysm. This story is about leading a normal everyday life with her family until she experienced the aneurysm, that according to statistics, has limited survivors. It took having ten surgeries, and the help of family and friends, to overcome this enemy that she encountered during this ordeal. Ronnie believes everything happens for a reason and that is why she is here today to tell her story and for the reader to recognize happiness and triumph overcoming a deadly physical attribute that could happen to anyone without notice.

E. H. F. A. R.

Everything Happens for a Reason

It's the year 2323, prison reform is the new Global industry trend that draws together the sociopath and the psychopathic; one for profit and the other for punishment. Since the physical Earth cannot keep up with the viral growth of everyone, Mankind has now brazenly taken root within the Ether--a conflux among reality and the virtual. The expansion of prisons ceased several decades ago, yet they find new ways to incarcerate those that defy authority and general consensus. We've made several attempts at new construction concepts, maze-style prisons, and even photo projections on the outside of the prison walls as a shameful deterrent. No matter how clever the concept, how ingenious the idea, or pragmatic the Band-Aid, people continued to combat the laws, and the law just continued to pack the jails and prisons. The Global News Agency comes out with a new prison riot report monthly now, making it the worst record for prison population and recidivism. At least, that was the case last year. In January the powers to be began a new venture. They claimed they could make you live a lifetime of repent--in a blink of an eye; a virtual prison. Now when you are sentenced, you take a seat in a restraint chair and get rolled off to serve your time in E.H.F.A.R. Unlike the olden days of actually living in a cell, now you get placed, colloquially known as the Pill-Box. The Pill-Box came about due to the appearance of the sedation tube they use to control your core temperature and keep your mind at ease; like that of a compression chamber you found back in the start of the twenty-first century. Yeah, who knew we'd use ancient tech! Here's the scoop. They've embedded Smart-Chips on Hemoglobin and can control the reality state as well as the physical state with

these little critters. As soon as you're dunked into that Twinkie-like tube, you go through rebirth. First Stage, Rebirth. Second Stage, Life. Third Stage, Death. You now live the punishment you're given as a life-sentence, always with the possibility of parole/early death, while you spend only a day in physical incarceration. As far as I know, it works like this, the scientist found that our reality can be modified to fit into the virtual reality, as every gaming enthusiast has known for the last 300 years. However, we now can manipulate the VR to rapidly replay a dreamscape, allowing for the user to feel as though experiencing Life as it never existed before. They know nothing of their true identities, they only know as we all know about our current lives. We believe there to be a higher power, upper management if you will, a power that seems to be very evidently present, but no one can prove it. We have now come full circle, our quest for knowledge and Truth has lead us to find ourselves. We are the Gods that created this World, we created and manipulate the interactions of those inside the E.H.F.A.R. (pronounced ETHER). This system will open the gates to a new existence, a lifetime served in the blink of an eye. A system that attacks the Rapid Eye Movement sleep mode in our brains to manipulate it for our needs. We can, essentially, go in and grab the R.E.M. from inside your brain and stretch it to fit our length of time we chose to keep them inside EHFAR. Someone who commits murder may end up living a life plagued with the grief of losing a loved one, a son, a daughter, the exact science behind it has grown beyond our comprehension as our systems are all backed by high-grade processors that calculate... everything. We can essentially set them up and get them running with the ability

to manipulate their current mood. Which is why we see so many of the feedback videos to show that the sentenced aren't just living a life of success and joy. The E.H.F.A.R techs can inject mood swings, by altering their current bodies intake of nutrients, carbs, sugars, and in so many words, make you feel depressed, sad, mad, or plagued with anxiety... then comes regret, shame, remorse, and loss.

Freelance Christianity

Philosophy, Faith, and the Real World *Wipf and Stock Publishers*

"How can you be a Christian and a philosopher at the same time?" This question has haunted Vance Morgan ever since it was posed by a good friend almost thirty years ago. Freelance Christianity is rooted in Morgan's conviction that, far from being fundamentally opposed, truly philosophical energies and a commitment to a vibrant, lived faith are complementary, mutually supporting, and marks of a healthy quest for the divine. This book brings together his training as a philosopher and experience as a person of faith in an investigation of how the life of faith can be lived with a rigorous commitment to the pursuit of knowledge in real time.

On What Matters

Volume Three *Oxford University Press*

Derek Parfit presents the third volume of On What Matters, his landmark work of moral philosophy. Parfit develops further his

influential treatment of reasons, normativity, the meaning of moral discourse, and the status of morality. He engages with his critics, and shows the way to resolution of their differences. This volume is partly about what it is for things to matter, in the sense that we all have reasons to care about these things. Much of the book discusses three of the main kinds of meta-ethical theory: Normative Naturalism, Quasi-Realist Expressivism, and Non-Metaphysical Non-Naturalism, which Derek Parfit now calls Non-Realist Cognitivism. This third theory claims that, if we use the word 'reality' in an ontologically weighty sense, irreducibly normative truths have no mysterious or incredible ontological implications. If instead we use 'reality' in a wide sense, according to which all truths are truths about reality, this theory claims that some non-empirically discoverable truths-such as logical, mathematical, modal, and some normative truths-raise no difficult ontological questions. Parfit discusses these theories partly by commenting on the views of some of the contributors to Peter Singer's collection Does Anything Really Matter? Parfit on Objectivity. Though Peter Railton is a Naturalist, he has widened his view by accepting some further claims, and he has suggested that this wider version of Naturalism could be combined with Non-Realist Cognitivism. Parfit argues that Railton is right, since these theories no longer deeply disagree. Though Allan Gibbard is a Quasi-Realist Expressivist, he has suggested that the best version of his view could be combined with Non-Realist Cognitivism. Parfit argues that Gibbard is right, since Gibbard and he now accept the other's main meta-ethical claim. It is rare for three such different philosophical theories to be able to be widened in ways that resolve their deepest disagreements. This

happy convergence supports the view that these meta-ethical theories are true. Parfit also discusses the views of several other philosophers, and some other meta-ethical and normative questions.

Life is Fair

Everything Happens for a Reason

The Untethered Soul Guided Journal

Practices to Journey Beyond Yourself *New Harbinger Publications*

Based on the #1 New York Times bestseller *The Untethered Soul*, this guided journal offers powerful new practices for inspiration, freedom, and joy. In this beautiful guided journal, you'll find brand-new exercises and prompts paired with original passages from *The Untethered Soul*. These prompts encourage you to fully relate Michael A. Singer's teachings to your personal experiences, allowing you to dive into the teachings and make them a part of your daily life. You'll also discover practices to help you gain distance from your noisy mind, tap into the deeper awareness that is your true essence, and work through the negative emotions that limit your potential. Grounded in traditions of meditation and mindfulness, the new exercises in this transformational journal will show you how to live more fully in the present moment, and achieve lasting joy and self-realization. If you're ready to open the door to limitless possibilities, *The Untethered Soul Guided Journal* will lead you to a richer

understanding of your relationship to your mind, emotions, and inner energies. And by letting go of difficult past experiences you've held within yourself, you'll learn to access the profound happiness of your true, innermost Self.

Everything Happens for a Reason

Love Warrior

A Memoir *Flatiron Books*

#1 New York Times Bestseller Oprah's Bookclub 2016 Selection
 "Riveting...a worthy investment...this book has real wisdom."
 —New York Times Book Review "A book with so much painful truth packed into its pages that every person who's ever married or plans to marry should really give it a read." —Chicago Tribune
 "Provocative....I adore her honesty, her vulnerability, and her no-nonsense wisdom, and I know you will, too." —Oprah Winfrey
 "This memoir isn't really about Glennon rebuilding her relationship with her husband; it is about Glennon rebuilding her relationship with herself. Utterly refreshing and...badass."
 —Bustle.com The highly anticipated new memoir by bestselling author Glennon Doyle tells the story of her journey of self-discovery after the implosion of her marriage. Just when Glennon Doyle Melton was beginning to feel she had it all figured out—three happy children, a doting spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list—her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, Glennon found that rock bottom

was a familiar place. In the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. *Love Warrior* is the story of one marriage, but it is also the story of the healing that is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. This astonishing memoir reveals how our ideals of masculinity and femininity can make it impossible for a man and a woman to truly know one another—and it captures the beauty that unfolds when one couple commits to unlearning everything they've been taught so that they can finally, after thirteen years of marriage, commit to living true—true to themselves and to each other. *Love Warrior* is a gorgeous and inspiring account of how we are born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life.

A Three Dog Life *Houghton Mifflin Harcourt*

The wife of a man who was institutionalized after an accident left him violently brain damaged describes her efforts to rebuild her life in a small country town with three dogs, a process during which she struggled with a very different relationship with her husband, passed her days knitting, and found comfort in friendships and her changing perceptions about life. *Reader's Guide* included. Reprint.

The Brothers Karamazov *Graphic Arts Books*

Three brothers and their relations in 19th century Russia provide

the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, *The Brothers Karamazov* is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. *The Brothers Karamazov* remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Brothers Karamazov* is both modern and readable.

Everything Happens for a Reason

A Poetic Collection

Do you know anyone who has dealt with the hardships of Breast Cancer, or are you a Breast Cancer Survivor? Do you know someone who has touched your life in a special way? Do you have a loved one fighting for our freedom, is a veteran of a

foreign war, or is a disabled veteran. If you like poetry, or just wish to look upon some very inspirational works, then you will want to read "Everything Happens for a Reason." Inspired by my own triumphs and hardships, my husband, children, co-workers, friends and family this is my life and thoughts put to words from the last 20 years of my life. As the title reads, "Everything Happens for a Reason."

I Am Loved *Simon and Schuster*

Newbery Award honoree Ashley Bryan has hand-selected a dozen of National Book Award winner Nikki Giovanni's poems to

illustrate with his inimitable flourish. There is nothing more important to a child than to feel loved, and this gorgeous gathering of poems written by Nikki Giovanni celebrates exactly that. Hand-selected by Newbery honoree Ashley Bryan, he has, with his masterful flourish of color, shape, and movement, added a visual layering that drums the most important message of all to young, old, parent, child, grandparent, and friend alike: You are loved. You are loved. You are loved. As a bonus, one page is mirrored, so children reading the book can see exactly who is loved—themselves!
