Nurtureshock New Thinking About Children

One of the most influential books about children ever published, Nuture Shock offers a revolutionary new perspective on children that upends a library's worth of conventional wisdom. With impeccable storytelling and razor-sharp analysis, the authors demonstrate that many of modern society's strategies for nurturing children are in fact backfiring--because key twists in the science have been overlooked.

NutureShock: New Thinking About Children: Po Bronson ...

There's no question that NutureShock: New Thinking About

Children is an entertaining and provocative book, with stand-alone chapters allowing for it to be picked up and put down for brief train rides, bathroom visits, etc. I just think it's important to read it critically. A knowledge of statistics helps.

NutureShock: New Thinking About Children by Po Bronson

NutureShock does more than state the obvious about child raising, it enlightens the reader that our impulse about children can completely off track. It opened my eyes to what children learn from different situations. Many parents think they are doing the right thing because that's what they are used to.

NurtureShock: New Thinking About Children by Po Bronson ...

NurtureShock: New Thinking about Children by co-authors Po Bronson and Ashley Merryman is a work of non-fiction structured as a series of distinct chapters about old science or research done on child development, and the way that new research undermines or overrides this old way of thinking. The book takes on subjects such as the faulty practice of testing children for abnormally high intelligence in kindergarten, racial issues and the formation of an understanding of race and racism, and ...
