My Kitchen in Rome charts a year in Rachel's small Italian kitchen, shopping, cooking, eating, and writing, capturing a uniquely domestic picture of life in this vibrant, charismatic city. Chocolat Anchor Canada

When the exotic stranger Vianne Rocher arrives in the old French village of Lansquenet and opens a chocolate boutique called “La Celeste Praline” directly across the square from the church, Father Reynaud identifies her as a serious danger to his flock. It is the beginning of Lent: the traditional season of self-denial. The priest says she’ll be out of business by Easter. To make matters worse, Vianne does not go to church and has a penchant for superstition. Like her mother, she can read Tarot cards. But she begins to win over customers with her smiles, her intuition for everyone’s favourites, and her delightful confections. Her shop provides a place, too, for secrets to be whispered, grievances aired. She begins to shake up the rigid morality of the community. Vianne’s plans for an Easter Chocolate Festival divide the whole community. Can the solemnity of the Church compare with the pagan passion of a chocolate éclair? For the first time, here is a novel in which chocolate enjoys its true importance, emerging as an agent of transformation. Rich, clever, and mischievous, reminiscent of a folk tale or fable, this is a triumphant read with a memorable character at its heart. Says Harris: “You might see [Vianne] as an archetype or a mythical figure. I prefer to see her as the lone gunslinger who blows into the town, has a showdown with the man in the black hat, then moves on relentless. But on another level she is a perfectly real person with real insecurities and a very human desire for love and acceptance. Her qualities too - kindness, love, tolerance - are very human.” Vianne and her young daughter Anouk, come into town on Shrove Tuesday. “Carnivals make us uneasy,” says Harris, “because of what they represent: the residual memory of blood sacrifice (it is after all from the word “carne” that the term arises), of pagan celebration. And they represent a loss of inhibition; carnival time is a time at which almost anything is possible.” The book became an international best-seller, and was optioned to film quickly. The Oscar-nominated movie, with its star-studded cast including Juliette Binoche (The English Patient) and Judi Dench (Shakespeare in Love), was directed by Lasse Hallstrom, whose previous film The Cider House Rules (based on a John Irving novel) also looks at issues of community and moral standards, though in a less lighthearted vein. The idea for the book came from a comment her husband made one day while he was immersed in a football game on TV. “It was a throwaway comment, designed to annoy and it did. It was along the lines of...Chocolate is to women what football is to men...” The idea stuck, and Harris began thinking that “people have these conflicting feelings about chocolate, and that a lot of people who have very little else in common relate to chocolate in more or less the same kind of way. It became a kind of challenge to see exactly how much of a story I could get which was uniquely centred around chocolate.” Rich with metaphor and gorgeous writing...sit back and gorge yourself on Chocolat.

Blackberry Wine Doubleday Canada

From the author of Chocolat, an intoxicating fairy tale of alchemy and love where wine is the magic elixir. Jay Mackintosh is a 37-year-old has-been writer from London. Fourteen years have passed since his first novel, Jackapple Joe, won the Prix Goncourt. His only happiness comes from dreaming about the golden summers of his boyhood that he spent in the company of an eccentric vintner who was the inspiration of Jay's debut novel, but who one day mysteriously vanished. Under the strange effects of a bottle of Joe's '75 Special, Jay decides to purchase a derelict yet promising chateau in Lansquenet-sous-Tannes. There, a ghost from his past waits to confront him, and his new neighbour, the reclusive Marise - haunted, lovely and dangerous - hides a terrible secret behind her closed shutters. Between them, there seems to be a mysterious chemistry. Or could it be magic? Joanne Harris's previous novel, Chocolat, was both a dazzling literary success and a commercial triumph. Chocolat, the major motion picture directed by Lasse Hallström (The Cider House Rules), was released in December 2000, starring Juliette Binoche, Johnny Depp, Dame Judy Dench, Alfred Molina, and Lena Olin.

Oranges Farrar, Straus and Giroux

A classic of reportage, Oranges was first conceived as a short magazine article about oranges and orange juice, but the author kept encountering so much irresistible information that he eventually found that he had in fact written a book. It contains sketches of orange growers, orange botanists, orange pickers, orange packers, early settlers on Florida's Indian River, the first orange barons, modern concentrate makers, and a fascinating profile of Ben Hill Griffin of Frostproof, Florida who may be the last of the individual orange barons. McPhee's astonishing book has an almost narrative progression, is immensely readable, and is frequently amusing. Louis XIV hung tapestries of oranges in the halls of Versailles, because oranges and orange trees were the symbols of his nature and his reign. This book, in a sense, is a tapestry of oranges, too—with elements in it that range from the

great orangeries of European monarchs to a custom of people in the modern Caribbean who split oranges and clean floors with them, one half in each hand.

What You Don't Know about Orange Juice *Yale University Press*

How orange juice became a North American breakfast staple and what "100% pure orange juice" means today Close to three quarters of U.S. households buy orange juice. Its popularity crosses class, cultural, racial, and regional divides. Why do so many of us drink orange juice? How did it turn from a luxury into a staple in just a few years? More important, how is it that we don't know the real reasons behind OJ's popularity or understand the processes by which the juice is produced? In this enlightening book, Alissa Hamilton explores the hidden history of orange juice. She looks at the early forces that propelled orange juice to prominence, including a surplus of oranges that plagued Florida during most of the twentieth century and the army's need to provide vitamin C to troops overseas during World War II. She tells the stories of the FDA's decision in the early 1960s to standardize orange juice, and the juice equivalent of the cola wars that followed between Coca-Cola (which owns Minute Maid) and Pepsi (which owns Tropicana). Of particular interest to OJ drinkers will be the revelation that most orange juice comes from Brazil, not Florida, and that even "not from concentrate" orange juice is heated, stripped of flavor, stored for up to a year, and then reflavored before it is packaged and sold. The book concludes with a thought-provoking discussion of why consumers have the right to know how their food is produced.

The Mars Room

A Novel *Scribner*

TIME'S #1 FICTION TITLE OF THE YEAR • NEW YORK TIMES NOTABLE BOOK OF 2018 FINALIST for the MAN BOOKER PRIZE and the NATIONAL BOOK CRITICS CIRCLE AWARD LONGLISTED for the ANDREW CARNEGIE MEDAL An instant New York Times bestseller from two-time National Book Award finalist Rachel Kushner, *The Mars Room* earned tweets from Margaret Atwood—"gritty, empathic, finely rendered, no sugar toppings, and a lot of punches, none of them pulled"—and from Stephen King—"The Mars Room is the real deal, jarring, horrible, compassionate, funny." It's 2003 and Romy Hall, named after a German actress, is at the start of two consecutive life sentences at Stanville Women's Correctional Facility, deep in California's Central Valley. Outside is the world from which she has been severed: her young son, Jackson, and the San Francisco of her youth. Inside is a new reality: thousands of women hustling for the bare essentials needed to survive; the bluffing and pageantry and casual acts of violence by guards and prisoners alike; and the deadpan absurdities of institutional living, portrayed with great humor and precision. Stunning and unsentimental, *The Mars Room* is "wholly authentic...profound...luminous" (*The Wall Street Journal*), "one of those books that enrage you even as they break your heart" (*The New York Times Book Review*, cover review)—a spectacularly compelling, heart-stopping novel about a life gone off the rails in contemporary

She also suspects someone is trying to kill her. With mounting fear, Sally confides with her daughter Ruth; a woman struggling with her own past. Sally drops a bombshell. She is actually Eva Delectorskaya, a Russian émigré recruited as a spy by the British prior to the Second World War. For the past thirty years, Eva has led a second life hiding from the ghosts of her past. Eva reveals her secret to her daughter through a series of written chapters for a planned book. As Ruth delves into her mother’s writing, she learns the shocking truth. Eva was recruited in Paris prior to the Second World War, following the death of her brother Kolia; also a British spy. Taught by an enigmatic spymaster named Lucas Romer, Eva learned the art of espionage and was made part of a unit specializing in media manipulation. Above all, she was taught ‘Rule Number One’ of spying: trust no one — a rule broken when she and Romer began a dangerous love affair. The affair had tragic consequences. In 1941, Eva and Romer were assigned to the United States. They were given the task of manipulating the American media into motivating the public to support entry into the war on the Allied side. While in New York, Eva’s affair with Romer set in motion events that culminated in her betrayal and her flight from the British Secret Services. She found eventual refuge in a new life as Sally Gilmartin. Thirty years later, Eva’s identity unravels with her confession to her daughter. Ruth struggles with the truth, and her own recent past fills her with self-doubt and insecurity. A failed relationship in Germany resulted in a son and an eventual return to England. Her mother’s confession leads Ruth to the realization that her mother is entangling her in one final mission — a showdown with Eva’s past betrayer. Restless twists and turns through the double life of one remarkable woman. Through Eva’s life, William Boyd asks the intriguing question — How well do we truly know someone?

Lord of the Flies *Penguin*
Golding’s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

If You’d Just Let Me Finish *Penguin UK*
Clarkson is back! Pre order his brand new book now. _____ In November 2016 we woke up to the news that the forthright presenter of a popular television programme had become the most powerful man on the planet. His name, sadly, was not Jeremy Clarkson, but we might not have been any more surprised if it had been. Because the world seems to have taken a decidedly odd turn since Jeremy last reflected on the state of things between the covers of a book. But who better than JC to help us navigate our way through the mess? And while he's being trying to make sense of it all

he's discovered one or two things along the way, including - The disabling effects of being vegan - How Blackpool might be improved by drilling a hole through it - The problem with meditation - A perfect location for rebuilding Palmyra - Why Tom Cruise can worship lizards if he wants to It's all been a bit unsettling. But don't worry. If You'd Just Let Me Finish is Clarkson at his best. He may be as bemused, exasperated, amused and surprised as the rest of us, but in a world gone crazy, thank God someone has still got his head screwed on ... Praise for Clarkson: 'Brilliant...laugh-out-loud' - Daily Telegraph 'Outrageously funny...will have you in stitches' - Time Out 'Very funny...I cracked up laughing on the tube' - Evening Standard

Just Don't Fall

A Hilariously True Story of Childhood, Cancer, Amputation, Romantic Yearning, Truth, and Olympic Greatness *Penguin*

Read Josh Sundquist's posts on the Penguin Blog. One moment Josh Sundquist was your typical energetic and inquisitive nine year- old boy. The next, his entire life changed when he was diagnosed with Ewing's Sarcoma, a particularly virulent cancer strain that would eventually claim Josh's left leg. Told in a wide-eyed, winning, heartbreaking voice, Just Don't Fall is the story of the boy Josh was and of the young man he became. His story begins in a small, close-knit Southern town, where his father-an aspiring pastor questioning his faith, and his mother-- homeschooling an ever- growing brood of children-struggle to make ends meet. Josh journeys through a dizzying array of hospitals and eventually lands at a pivotal place: the nearby mountain, where he makes his first attempt to ski. It is on the slopes, and later, on the race course, that Josh's world bursts wide open in a way no one could have ever anticipated. The inspiration to ski, however, and to become a champion, is not all that Josh has to contend with- there is adolescence to navigate, the transition from homeschool to public high school, and girls. There is an increasingly turbulent and difficult home life, with another cancer scare, a wayward brother, and dwindling finances to pay for training. Finally, there is the wild, bumpy road to the Paralympics in Turin, with a misanthropic coach, training in the Rockies, and a timeless friendship with a charismatic, imposing Brooklyn homeboy named Ralph. Through it all, Josh is forced to question his abilities, his sanity, his will, his faith in himself, and his faith in God. Because of, not despite, these myriad obstacles in his path, Josh is able to achieve a genuine grace: the grace to risk failure and to succeed. It is the grace of a young boy becoming a man and of a champion realizing his greatest dream. Josh Sundquist shows us with

charm, humility and remarkable strength that even if we fall, this inner grace can lift us up and carry us over the many mountains we all must face.

Bitter Orange *Tin House Books*

An NPR Best Book of the Year A Most Anticipated Book at Time Magazine, Entertainment Weekly, Vulture, Elle, BUST, HuffPost, NYLON, Southern Living, Parade, and more From the author of Our Endless Numbered Days and Swimming Lessons, Bitter Orange is a seductive psychological portrait, a keyhole into the dangers of longing and how far a woman might go to escape her past. From the attic of Lyntons, a dilapidated English country mansion, Frances Jellico sees them—Cara first: dark and beautiful, then Peter: striking and serious. The couple is spending the summer of 1969 in the rooms below hers while Frances is researching the architecture in the surrounding gardens. But she's distracted. Beneath a floorboard in her bathroom, she finds a peephole that gives her access to her neighbors' private lives. To Frances' surprise, Cara and Peter are keen to get to know her. It is the first occasion she has had anybody to call a friend, and before long they are spending every day together: eating lavish dinners, drinking bottle after bottle of wine, and smoking cigarettes until the ash piles up on the crumbling furniture. Frances is dazzled. But as the hot summer rolls lazily on, it becomes clear that not everything is right between Cara and Peter. The stories that Cara tells don't quite add up, and as Frances becomes increasingly entangled in the lives of the glamorous, hedonistic couple, the boundaries between truth and lies, right and wrong, begin to blur. Amid the decadence, a small crime brings on a bigger one: a crime so terrible that it will brand their lives forever.
